A report on
“Dumb Sheraz Competition”

Objective	The aim of this competition is to bring out the multi talented skills of the students.
Date of Conduction	27/07/2019
ETSA Coordinator	Prof. Meenakshi A
ETSA Student President	Pradip Jadhav (BE)
Students Participated	32 (E&TC Dept.)

Many Technical competitions were organized for all the students of SE, TE, and BE in ICT Hall, E&TC Dept. for the benefit of students. A non Technical event, Dumb Sheraz was organized on 27/07/2019 at 11:30am under the Electronics & Telecommunication Students Association (ETSA).The ETSA faculty coordinator Prof. Meenakshi and Student President Abhijit Kalunke(BE Student) took initiative to conduct this event. The function started with Saraswathi Pooja. **Dr. Y.S.Angal**, HOD (E&TC) encouraged the students to participate enthusiastically in all the events.

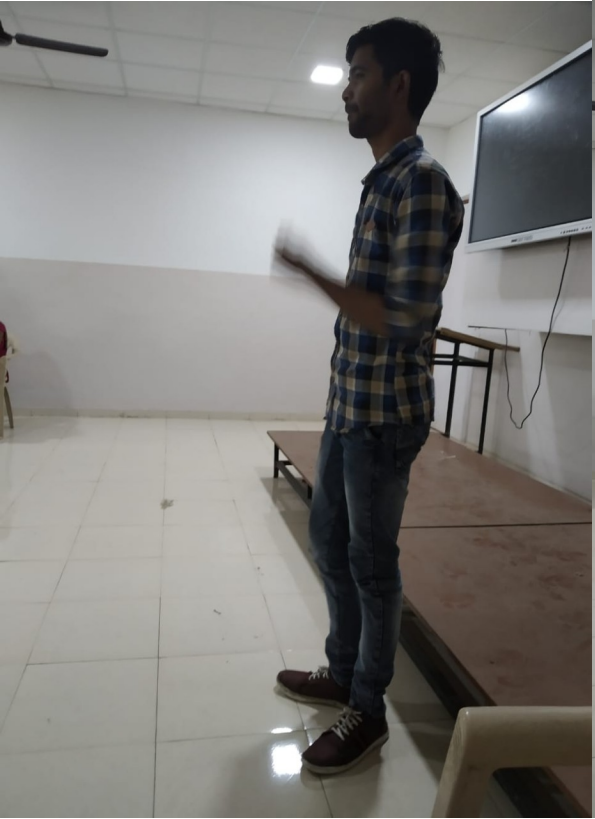

ETSA President started this competition by giving a brief introduction about the competition and the rules for the competition to the students.

The aim of this competition was to equip young students with the skills of thinking differently. It enables young people to test and demonstrate their multi talent skill.

Some Glimpses of student participation:

This is one of the acting games which basically uses gestures and mimes to provide clues in a guessing game. It is a way of teaching students to communicate non-verbally in an effective way. It requires use of hands, facial expressions, and the body to mime words.

The game was for a group of players to guess the name of a movie, the name of a song, the name of a novel etc., through a dumb mime. The operative word is 'dumb', so the mimer is banned from using words altogether. Once they have decided what they will be guessing, say 'the name of a movie', they can start the game. This game was played with a group of students and that makes it all more fun.

Expected Outcome: Students was divided into different groups and competed against each other.
