Academic Year 2023-24

1. Objective of Feedback:

The Institute is affiliated to Savitribai Phule Pune University. The syllabus is framed by the university as per the statutory provisions. This task is assented to selected institutes to frame the syllabus. Such institute conduct syllabus revision workshop in which Teachers, Invited Industry Experts, Senior Professors share their views and finalize the draft of the syllabus. This syllabus is then approved by BOS/Academic Council/Executive Council of the Institute. Syllabus implementation workshops are again conducted by selected institutes in which the concerned subject teachers participate. In this workshop the extent of the contents to be covered for all units and laboratory work are finalized. The syllabus so framed is implemented in the institutes. The feedback of the stakeholders namely Student, Parent, Alumni and Employer is obtained which help the institution to design co circular and extra circular activities to enhance the learning of the students.

2. TEACHERS FEEDBACK ON SYLLABUS AND ITS TRANSACTION

Feedback were obtained from the subject teachers. The detailed analysis has done related to course designed by affiliating university i.e. Savitribai Phule Pune University (SPPU). Based on suggestions given by staff members efforts were taken to enhance content delivery of the subject. Faculties are motivated and supported with financial assistance to participate different FDPs/Workshops/NPTEL courses/ATAL UHV courses to enhance the skills required for the content delivery of syllabus.

FEEDBACK SUMMARY

Feedback plays a crucial role in the curriculum of the college / Institution. Feedback is generally categorized into student feedback, teacher feedback, Alumini feedback, employer feedback and parents feedback.

JSPM's , BSIOTR, Department of computer engineering follows all the category as per the guidelines in our department.

1.Student feedback:

Student feedback is collected by the students in which the identity of the students is kept confidential for the transparent procedure of feedback. In student feedback grading is evaluated as per the syllabus of the subjects and teaching performance of the faculties in the scale of 1 to 5. Depending on the scaling, feedback analysis percentage is calculated for all subjects of all classes and division. If the feedback analysis percentage is below 60% counseling to those faculties is done by HOD to improve their performance for the betterment of the students.

2.Techer Feedback:

Teacher feedback is taken by the faculties of computer department as per the syllabus and its transaction and also the facilities provided by the college/ institution. This feedback is important for quality improvement of the program of studies/ institution. Depending on the score . evaluation of feedback analysis is done.

Vision: "To Satisfy the aspirations of youth force, who want to lead the nation towards prosperity through techno-economic development"

Mission: "To provide, nurture and maintain an environment of high academic excellence, reserach and entrepreneurship for all aspiring Students, which will prepare them to face global challenges maintaining high ethical and moral Standards"

B) Fulfillment of the Program Outcomes:

Please assess your abilities or knowledge gained as a result of your educational development at the institute/ department.

Please respond to items below by putting \checkmark , 4 being the highest			
4 (Strongly Agree)	3 (Agree)	2 (Somewhat Disagree)	1 (Strongly disagree)

Sr. No.	Question	1	2	3	4
1.	Ability to apply knowledge of mathematics and science to the solution of complex engineering problems.				✓
2.	Ability to identify, formulate, investigate and synthesis of information to solve complex engineering problems				✓
3.	Ability to conduct experiments, perform analysis and interpret data for complex engineering problems				✓
4.	Ability to use appropriate techniques, skills, and modern engineering tools, instrumentation, software and hardware necessary for complex engineering practice with an understanding of their limitations.				✓
5.	Ability to demonstrate knowledge and understanding of engineering and management principles to manage projects in multidisciplinary, societal and environmental fields				✓
6.	Ability to execute responsibility professionally and ethically				✓
7.	Ability to function effectively as an individual, and as a member or leader in diverse teams.				✓
8.	Ability to articulate ideas, communicate effectively, in writing and verbally, on complex engineering activities with the engineering community and with society at large.				✓
9.	Ability to inclined towards lifelong learning				✓

C) Education Experience:

Please answer the following questions that best describe your experiences as a student at JSPM's BSIOTR, Wagholi, Pune.

Please respond to items below by putting \checkmark , 4 being the highest			
4 (Strongly Agree)	3 (Agree)	2 (Somewhat Disagree)	1 (Strongly disagree)

Sr. No.	Question	1	2	3	4
1.	I am well prepared for employment in my field				<input checked="" type="checkbox"/>
2.	The course work required in my study met my expectation				<input checked="" type="checkbox"/>
3.	Modern engineering tools were incorporated into my class and/or laboratory activities				<input checked="" type="checkbox"/>
4.	Classrooms were conducive & adequate to support teaching and learning activities				<input checked="" type="checkbox"/>
5.	The computer and laboratory equipment and facilities were satisfactory and adequate				<input checked="" type="checkbox"/>
6.	Faculty was available for assistance with my educational process				<input checked="" type="checkbox"/>
7.	The overall quality of teaching and learning activities in the programme was good				<input checked="" type="checkbox"/>
8.	Department faculty members were available to help and they met my needs				<input checked="" type="checkbox"/>
9.	I would definitely recommend the institute to others				<input checked="" type="checkbox"/>

D) General Remarks :

1. Weaknesses of department, in my opinion

- i) NA
- ii) Too many teachers & discipline
- iii)

2. Strength of department, in my opinion

- i) Good teaching environment.
- ii) short is attendance
- iii)

Rate on the scale of 1 to 10 by putting \checkmark , 10 being the highest

1. Rate the teaching-learning process in the Institute / Department in context with use of knowledge gained for solving Complex Engineering Problems

2. Rate your ability to identify, formulate and solve the problems in your profession based on knowledge acquired at the Institute.

3. Rate the exposure to industrial environment through our mechanisms such as industrial visits, in-plant training, field visits, industry-institute interaction and guest lectures by experts from industry which helps you in investigating Engineering Problems.

4. Rate the exposure to Modern Tools which helps in solving Industrial, Societal and Environmental issues during your course of study in the institute.

1 2 3 4 5 6 7 8 9 10

5. Rate the exposure to values and ethics during your course of study in the Institute.

1 2 3 4 5 6 7 8 9 10

6. Rate the contribution of curricular, co-curricular and extra-curricular activities, during your course of study, in the institute/ department in building your ability to work, on multidisciplinary problems, as an individual or a member of a team.

1 2 3 4 5 6 7 8 9 10

7. To what extent have you benefited from initiatives taken by the Communication Skill Development Cell of Institute/Department in improving your communication.

1 2 3 4 5 6 7 8 9 10

8. Rate the development of leadership traits through various co-curricular and extra-curricular activities, during your course of study, in the Institute/ Department.

EMPLOYER FEEDBACK

Dear Respondent,

The Department of Computer Engineering, require feedback from our stakeholders i.e. Alumni Members, Employers, parents, students and staff, to gauge whether the program offered by our department is sufficient in preparing the students to be a competent engineer for professional life after their graduation.

The objectives of the survey are:

- To collect the suggestions for reviewing the vision and mission of the department
- To gather information on the importance of the Program Educational Objectives (PEO), program Outcomes (PO) and Program Specific Outcomes (PSO)
- To gauge accomplishments of our graduates after completion of the program (PEO) and also to measure their attributes (PO and PSO).

(N.B: Please refer to the annexure for the details about vision, mission, PEOs, PSOs and POs of the department)

COMPANY PROFILE

NAME OF THE COMPANY : *Virtual Game*
 NAME OF THE EMPLOYER : *Amit Singh*
 DESIGNATION : *Founder and CEO*

1. Indicate how well do you agree with mission and vision of the department

Strongly disagree Disagree can't say Agree strongly agree

2. Indicate how well do you agree with each PEOs as a predicted accomplishment for the degree.

PEOs	Degree of Relevance				
	1	2	3	4	5
PEO1: Graduate shall have abilities to pursue professional career with social responsibility.				✓	
PEO2: Graduate shall have an ability to work in a team to address diversified challenges providing sustainable solutions.					✓

1- Least relevant 2- Less relevant 3- Can't say 4- relevant 5- Very relevant

3. Indicate how well do you agree with each Program Outcome (PO) as a predicted accomplishment for this program.

POs	Degree of relevance				
	1	2	3	4	5
1. Engineering knowledge				✓	
2. Problem analysis			✓		
3. Design/development of solutions				✓	
4. Conduct investigations of complex problems			✓		
5. Modern tool usage				✓	
6. The engineer and society					✓
7. Environment and sustainability				✓	
8. Ethics			✓		
9. Individual and team work				✓	
10. Communication			✓		
11. Project management and finance				✓	
12. Life-long learning					✓

1- Least relevant 2- Less relevant 3- Can't say 4- relevant 5- Very relevant

4. Indicate how well do you agree with each PSO as a predicted accomplishment for this program.

PSOs	Degree of relevance				
	1	2	3	4	5
PSO1: Graduates will be able to apply the fundamentals of engineering and sciences to identify, formulate, analyze and design the solutions for electrical and electronics systems with help of modern hardware and software tools to engage in lifelong learning effectively.			✓		
PSO2: Aware of technological changes, being able to communicate efficiently & clearly to the society & engineering community, also to work collaboratively in a team or as an individual in a global environment.				✓	

1- Least relevant 2- Less relevant 3- Can't say 4- relevant 5- Very relevant

5. List a few courses that you wish to include in the Computer Engineering program which you think are important for building up a good career.
