JSPM's Bhivarabai Sawant Institute of Technology & Research, Wagholi, (412207) Pune

CRITERION 6 - GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.2
Strategy Development and Deployment

6.2.3
Implementation of e-governance in areas of operation
   1. Administration
   2. Finance and Accounts
   3. Student Admission and Support
   4. Examination

E GOVERANCE

E Governance in Institutional Operations

Institute Implements e-governance in its operations as listed below:

1. **Administration**

Electronic Data Interchange (EDI): EDI facilitates the electronic exchange of structured business documents between government agencies and businesses.

Online Portals: Government websites and portals provide a centralized platform for students to access information, submit forms, and avail services. Examples: Exam form filling, Applications for mark sheets, Applications for Degree certificates, access to NSS Portal etc.

Mobile Apps: Institute uses Whatsapp as administrative tool to provide academic and administrative information to the students and faculties on their smart phones.

MOODLE: is used for teaching learning process which involves uploading of study material and also academic assessment of students.

Online Payment Systems: Provision is made for Students for making online payments.

Digital Signature: Digital signature tools facilitate the authentication of electronic documents and transactions.

Social Media Platforms: Facebook are used to disseminate information, gather feedback, and address public concerns.

2. **Finance & Accounts**
   Telly ERP9 is used for maintaining finance and account details.
3. **Student Admission & Support**

   Admission Regulating Authority, Web Portal and Affiliating University web portal are used for student admission and academic support

   http://www.unipune.ac.in/

   https://maha-ara.org/

To
The HR Manager
FIAT India Automobiles Pvt. Ltd.
Ranjangaon MIDC, Ranjangaon,
Maharashtra – 412220

Dear Sir/Madam,

I am writing to request your kind permission to arrange an industrial visit for the third-year Mechanical Engineering students of JSPM Bhivarabai Sawant Institute of Technology & Research (BSIOTR), Pune, to FIAT India Automobiles Pvt. Ltd., Ranjangaon, Maharashtra. We are planning to take a group of approximately 60 students as part of their *Measurement Lab* course for the current semester.

The objective of this visit is to provide our students with an opportunity to gain hands-on exposure to advanced industrial practices and measurement technologies. Specifically, the visit will focus on the any one of the following aspects :

1. **Demonstration of CMM (Coordinate Measuring Machine)** with software applications and futuristic improvements in line with Industry 4.0 requirements.
2. **Design and applications of Go/No-Go gauges** and sensors, with a focus on modernization techniques in IoT and Industry 4.0.
3. **Calibration processes** as per NABL (National Accreditation Board for Testing and Calibration Laboratories) accreditation norms.
4. **Laser Metrology techniques** along with relevant setups to reduce measurement lead time and uncertainties, explained by your expert engineers.
5. **Temperature measurement systems** used for furnaces and boilers, along with the associated cost analysis.
6. **Flow measurement systems** for air and fluids, focusing on reducing measurement lead time and improving accuracy.

This visit will greatly enhance the understanding of students and help them link theoretical knowledge with practical applications in the automotive industry. We kindly request your permission to organize this visit on **11th February 2025**, and we hope to confirm a convenient date for your team.

Please feel free to contact me if you need any additional information or if there are any formalities to be completed before the visit. We look forward to your positive response and are eager to provide this valuable exposure to our students.

Thank you for considering our request.

5. Communication with industry for industrial visit.
