Professional Activity			

Academic Year 2023-24

- **Project Competition (30/03/2024):**
Organized an in-house **Project Competition** to encourage innovation and practical application of engineering concepts among students.
- **Expert Lecture Series on Soft Skills (29/08/2023 to 01/09/2023):**
Conducted an expert session by **Mr. Uday Sonawane** on the *Importance of Language in a Professional Career*, aimed at enhancing students' communication and soft skills.
- **Add-on Course on OOP using C++ (27/03/2024 to 01/04/2024):**
Successfully conducted an **Add-on Course on Object-Oriented Programming using C++**, focusing on developing programming skills among students.
- **Guest Lecture on Industry Expectations (21/08/2023):**
Delivered by **Mr. Makaranda Kale**, this session guided students on the *Expectations from Industry and Society*, preparing them for real-world challenges.
- **Guest Lecture on Engineering Horizon (21/08/2023):**
Mrs. Smita Kelkar presented an insightful lecture on *Engineering Horizon: Combining Core to Software Shore*, bridging the gap between core and IT domains.
- **Guest Lecture on Employability Skills (23/08/2023):**
Prof. Ganesh Lohaote conducted a session on *Employability Skill Sets and SOP of Training & Placement Department*, aligning students with industry requirements.
- **Guest Lecture on Evaluation Tools (25/08/2023):**
Prof. Naniwadikar delivered a session on *Tools of Evaluation*, aimed at familiarizing faculty and students with modern assessment methodologies.
- **Guest Lecture on Programming with Python (24/02/2024):**
Mr. Nitin Shivle conducted a session on *Programming with Python*, introducing students to high-demand coding skills.
- **National Science Day – Mini Project Competition (28/02/2024):**
Celebrated **National Science Day** with a **Mini Project Competition**, promoting creativity and scientific thinking.
- **Expert Lecture on Engineering Mechanics (13/03/2024):**
Dr. T.K. Nagaraj delivered an expert lecture on *Engineering Mechanics*, enhancing conceptual understanding of core engineering subjects.

Academic Year 2022-23

- **Faculty Development Program (22/05/2023 to 26/05/2023):**
Conducted a **FDP on Outcome-Based Education through Student-Centric Teaching– Learning Process**, enhancing pedagogical effectiveness.
- **Guest Lecture on Graduate Attributes (17/11/2022):**
A session on the *Importance of Graduate Attributes in Higher Education* was conducted to align student learning with global standards.
- **Guest Lecture Series on Technology Addiction and Counselling (15/12/2022, 16/12/2022, 31/12/2022):**
Ms. Ankita Tidke delivered a series of impactful sessions on *Technology Addiction: Guidance and Counselling*, fostering awareness and mental well-being.
- **Expert Lecture on Engineering Education and Life (31/12/2022):**
A motivational session on *Facts of Engineering Education and Life* was delivered by **Ms. Surekha Dixit** to guide students on academic and life skills.
- **Expert Lecture on Engineering Mechanics (04/05/2023):**
Dr. T.K. Nagaraj, Principal of BSIOTR, delivered a technical session on *Engineering Mechanics*, reinforcing fundamental concepts.

- **Personality Development Counselling Session (09/06/2023 to 15/06/2023):**
A week-long **Personality Development and Counselling Session** was conducted by **Principal Sir**, focusing on self-growth and career readiness.
- **Project-Based Learning (PBL) Competition (16/06/2023):**
Organized a **PBL Competition** to promote innovation, design thinking, and problem-solving skills among students.

Academic Year 2021-22

- **Faculty Development Program on OBE Reforms:**
Conducted a **FDP on Outcome-Based Education**, emphasizing modern teaching techniques and pedagogical reforms.
- **Expert Lecture and Workshop on Python – Industrial Perspective (10/05/2022):**
Mr. Tahir Sangaikar led a session and hands-on workshop on *Python Programming with an Industrial Perspective*.
- **Project-Based Learning Competition (05/07/2022):**
Hosted a departmental **PBL Competition** to encourage experiential and collaborative learning.
- **Seminar on FE Syllabus Structure (28/12/2021):**
Dr. Swati Godse conducted a seminar explaining the *Revised Syllabus Structure for First Year Engineering*.
- **National Science Day Quiz Competition (28/02/2022):**
Organized a **Quiz Competition** on the occasion of National Science Day to promote scientific temper and awareness.
- **Expert Lecture on Engineering Mechanics (01/06/2022):**
Dr. T.K. Nagaraj conducted a session on *Basic and Advanced Engineering Mechanics*, building strong foundational knowledge.
- **Guest Lecture on Career Opportunities in E&TC (01/06/2022):**
Dr. Anil Wanare delivered a talk on *Emerging Career Opportunities in Electronics & Telecommunication Engineering*.
- **Guest Lectures on Soft Skills (01/06/2022):**
Engaging lectures on *Soft Skills* were delivered by **Ms. Madhavi Kulkarni** and **Prof. Radha Shirbhate** to prepare students for workplace communication.
- **Python Workshop (25/06/2022):**
Mr. Kailas Chavan conducted a practical **Python Workshop**, emphasizing hands-on programming skills.
- **Model Making Competition (27/06/2022 to 28/06/2022):**
A **Model Making Competition** was organized to encourage creative problem-solving and design thinking.
- **Expert Lecture on Career Guidance (05/07/2022):**
Mr. Ranish Kumar conducted a session on *Career Planning and Guidance*, helping students align their academic goals with career paths.
