EVENT TITLE : EXPERT LECTURE ON BEE

ORGANIZED BY

FE(BSIOTR, PUNE)

**Expert Lecture on Career
opportunities**

Day and Date : Tuesday , 08/10/2019

Venue : Seminar Hall

Time : 01:45 pm

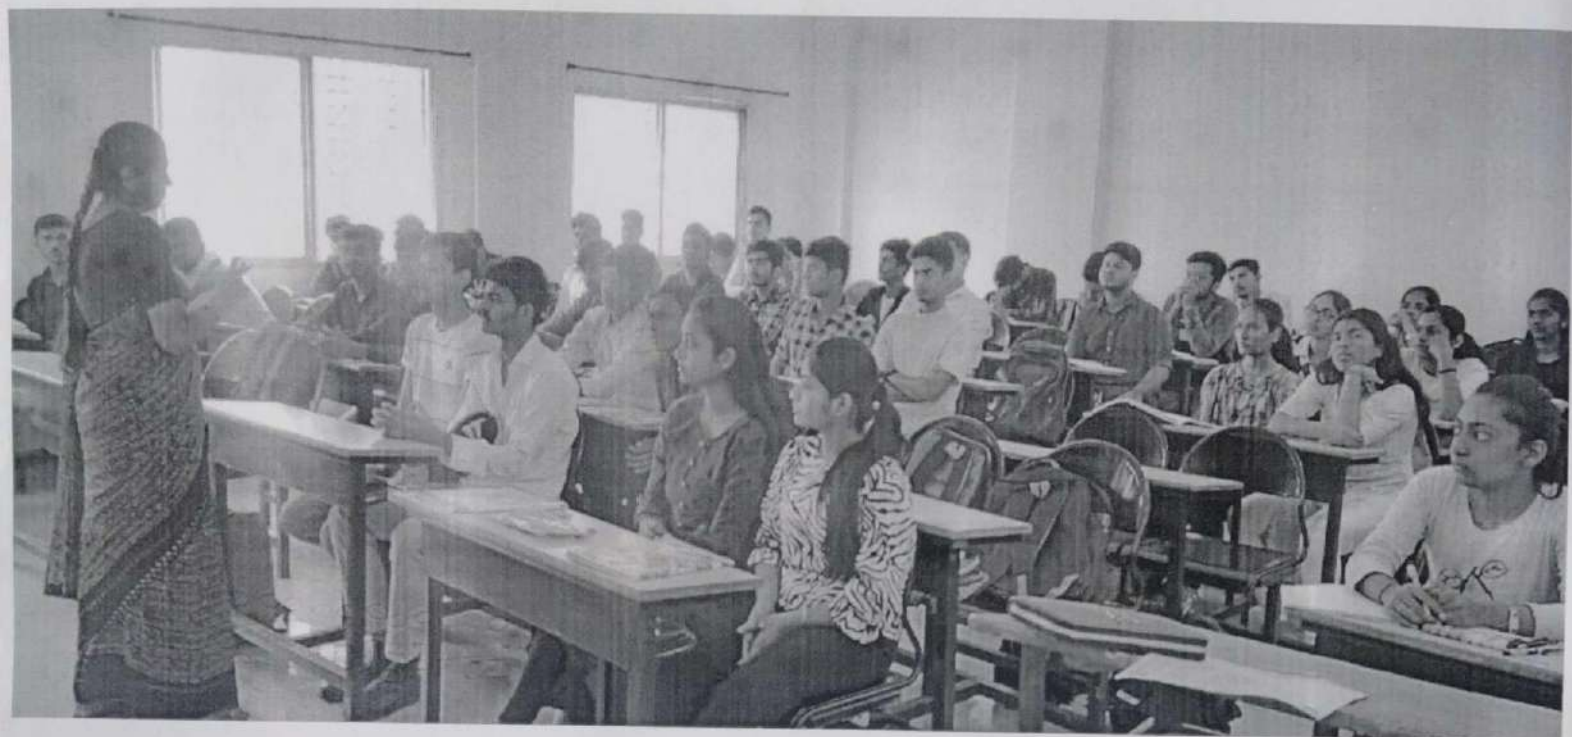

Jaywant Shikshan Prasarak Mandal's

Bhivarabai Sawant Institute of Technology and Research Wagholi.

The Program was started with felicitation of resource person Dr. Gayatri Bhandari by HOD Dr. Prafulla Sharma. Initially Prof. Manjusha patil gave brief introduction of guest speaker. After that Dr. Gayatri Bhandari delivered a seminar on Career opportunities in Engineering Field. She explained how a career in engineering offers the opportunity for creative thinking, innovative experimentation and intriguing design and development. As an engineer, you may have the opportunity to work in construction, aeronautics, biomedicine, software design, textiles and other industries. By understanding the different job opportunities for engineers and their requirements, you can decide if engineering is a suitable career for you. In this article, we outline some of the most popular types of engineering careers, rank them by salary and explore their duties and market demand. The programme was graced by the presence of HOD of F.E Dr. Prafulla Sharma as a chief guest, and all Staff members of FE. The Guest Lecture was conducted at Seminar Hall FE department.

The programme concluded with vote of thanks on behalf of the Institute by Prof. Swati Godse . All students along with FE Staff members attended this programme. HOD of F.E. congratulated faculty members of FE department and appreciated the efforts put by the Staff members in organizing such a Nice session . All faculty from FE Department worked hard for the success of the program. The event coordinated by Prof . Manjusha Patil.

EVENT TITLE : EXPERT LECTURE ON

PYTHON

ORGANIZED BY

FE(BSIOTR, PUNE)

Expert Lecture on Python

Day and Date : 03/03/2020

Venue : Seminar Hall

Time : 01:45 pm

Jaywant Shikshan Prasarak Mandal's

Bhivarabai Sawant Institute of Technology and Research Wagholi.

The Program was started with felicitation of resource person Prof. Radha Shirbhate by HOD Dr. Prafulla Sharma. Initially Prof. Manjusha patil gave brief introduction of guest speaker. After that Prof. Radha Shirbhate delivered a seminar on Career opportunities in Engineering Field. She explained Python is an interpreted, object-oriented, high-level programming language with dynamic semantics. Its high-level built in data structures, combined with dynamic typing and dynamic binding, make it very attractive for Rapid Application Development, as well as for use as a scripting or glue language to connect existing components together. Python's simple, easy to learn syntax emphasizes readability and therefore reduces the cost of program maintenance. Python supports modules and packages, which encourages program modularity and code reuse. The Python interpreter and the extensive standard library are available in source or binary form without charge for all major platforms, and can be freely distribute. The programme was graced by the presence of HOD of F.E Dr. Prafulla Sharma as a chief guest, and all Staff members of FE. The Guest Lecture was conducted at Seminar Hall FE department.

The programme concluded with vote of thanks on behalf of the Institute by Prof. Swati Godse . All students along with FE Staff members attended this programme. HOD of F.E. congratulated faculty members of FE department and appreciated the efforts put by the Staff members in organizing such a Nice session . All faculty from FE Department worked hard for the success of the program. The event coordinated by Prof . Manjusha Patil.

Subject: Appreciation Letter for conduction of A Workshop on Design, Manufacturing & Testing
of 3-phase Induction Motor.

Dear Sir,

We appreciate your efforts for conducting a Workshop on Design, Manufacturing & Testing of 3-phase Induction Motor a practical Approach. This workshop will help all participates in deep understanding of the Design of induction motor by its manufacturing and testing. We thank you for sharing your knowledge and skills with us.

Hoping fruitful correspondence in near future.

Thanking You,

Dr. N. N. Ghuge

Subject: Request to grant permission for conducting a one week Workshop on "Design, Manufacturing & Testing of 3-phase Induction Motor" in JSPM's BSIOTR, Wagholi Campus from 15th July to 20th July 2019

Respected Sir,

On behalf of JSPM's BSIOTR, Electrical Department, I request you to grant us the permission for organizing a one week Workshop on "Design, Manufacturing & Testing of 3-phase Induction Motor" in JSPM's BSIOTR, Wagholi Campus.

This workshop aims to provide a platform for Technical Skills, field work, practical approach towards the design, manufacturing and testing of transformer which will help students to step into the industry. It will be great honor for us to conduct the same in our Institute. So, I request to grant us the permission for the same. No. of expected participants will be 57. The program schedule is attached herewith for your kind reference. Following are the details of the budget:

Sr. No	Particulars	Approximate funds required (Rs)
1	T.A and Honorarium To out-station and local resource persons	23500/-
2	Printing of Lectures notes Certificates for participants of workshop Bouquet	5000/-
	Total	28500/-

The Fees charged per student for this workshop is Rs.500/-. The workshop will definitely be a value addition for students and faculty. So, kindly allow for the same. Thanking you in anticipation.

Subject: Invitation Letter for conduction of workshop on Design, Manufacturing & Testing of 3-phase Induction Motor.

Dear Sir,

We are coordinately inviting you to conduct a workshop on Design, Manufacturing and Testing. This workshop will help All participates in deep understanding of Design of induction motor followed by its manufacturing and testing.

The details about workshop are as follows,

Venue: - Dept. of Electrical Engineering,
BSIOTR, Wagholi, Pune -412207

Date: 15th July to 20th July 2019

Time: - 09:00am to 4.00pm.

Eagerly waiting for your acceptance for the Workshop

Thanking You,

Dr. N. N. Ghuge

Academic Year 2019-20 (Semester - I)
15th July to 20th July 2019
Workshop On
"Design, Manufacturing & Testing of 3-phase Induction Motor"

PROGRAM SCHEDULE

Sr. No	Date	Sessions	Time	Topics
1	DAY 1	Session 1	9.00 am to 12.00pm	Rotor design Calculations
		Lunch Break		
		Session 2	1.00pm to 4.00pm	Stator design Calculations
2	DAY 2	Session 1	9.00 am to 12.00pm	Winding Design Calculations
		Lunch Break		
		Session 2	1.00pm to 4.00pm	Winding assembly (Practical)
3	DAY 3	Session 1	9.00 am to 12.00 am	Primary winding Design Calculations (theory)
		Lunch Break		
		Session 2	1.00pm to 4.00pm	Primary winding Design Calculations (theory)
4	DAY 4	Session 1	9.00 am to 12.00 am	Primary winding assembly (Practical)
		Lunch Break		
		Session 2	1.00pm to 4.00pm	Primary winding assembly (Practical)
5	DAY 5	Session 1	9.00 am to 12.00 am	Assembly and connections of Induction Motor
		Lunch Break		
		Session 2	1.00pm to 4.00pm	Testing of Induction Motor 1
5	DAY 6	Session 1	9.00 am to 12.00 am	Testing of Induction Motor 2
		Lunch Break		
		Session 2	1.00pm to 4.00pm	Certificate distribution

Report of one week workshop on

“Design, Manufacturing & Testing of 3-phase Induction Motor”

Date-15th July 2019 to 20th July 2019

Time-9 am to 5 pm

Venue-

Department of Electrical Engineering,
BSIOTR,
Wagholi-412207.

Resource Person-Er. Shubham Kurhe

Faculty coordinator-Prof. Pallavi Kadam

Electrical Engineering department , BSIOTR has hosted one week workshop on **Design, Manufacturing & Testing of 3-phase Induction Motor** dated on 15th July 2019 to 20th July 2019. Expert for workshop were Er. Shubham Kurhe.

The subject Design of Electrical Machines of third year electrical covers theory of design of machines. So to get hands on training and to develop the concept of design of electrical machines the workshop is very usefull.

Around 58 students from TE A & B classes have participated in workshop and enjoyed its design assembling after testing of 3-phase Induction Motor. This workshop also help students to enter in to the industry and improve their approach towards practical problems raised in the industry.

Induction motors are employed in Textile mills, Agriculture and almost all the manufacturing industries to drive the loads because of its rugged in construction and ease of operation. The major limitation of induction motor is its efficiency and power factor. These two parameters depend on the shaft load. In conventional induction motor, only mechanical output is available and hence, its power factor and efficiency is limited. Written pole induction motor with dual stator winding would be the better choice to overcome these limitations

Following contents are covered in the workshop,

The technical details of three phase induction motor with written pole technology are given below:

1. Number of stator slots
2. Number of rotor slots
3. Diameter of the bore
4. Length of the bore
5. Magnetic loading
6. Electrical loading
7. Turns per phase of winding
8. Conductors per slot for winding
9. Conductors per teeth for 6 V winding
10. Slot area
11. Conductor area

Date: 2/9/2019

Notice

All TE Students are hereby informed that Expert Lecture on "Recent Trends of LabView Software" is arranged on 16/9/2019 at 9:30 to 11:30 am in electrical department, so all students are informed to be present for the same, attendance will be taken during lecture.

Note: Students should wear uniform and I card is compulsory.

Subject: Regarding conduction of Guest Lecture

Respected Sir,

Department of Electrical Engineering is organizing a guest lecture on Recent Trends of LabView Software for the TE students. Details are as follows

Proposed date : As per your convenience

Time duration: Two Hours

Hence you are kindly requested to accept our invitation as Expertise guest lecture for above mention program and make your presence

Thanking you

Report of Expert Lecture

Title: Recent Trends of LabView Software

Expert: Mr. Hitesh Daundkar

Date: 16th September 2019

Venue: Seminar Hall, Electrical Engineering at BSIOTR, Wagholi

Details of Participants: 5th semester Electrical Engineering students .

A Guest Lecture by Mr. Hitesh Daundkar on “Recent Trends of LabView Software” was delivered on September 16th, 2019 for TE students. Hitesh is an alumnus of our JSPM'S BSIOTR. He has completed B.E in Electrical engineering in 2018. He has recently got global certification in LabView at Bangalore. He focused on introduction of LabView, advantages of LabView software. According to Speaker LabVIEW introduces key functionality and reinvents long-standing benefits, particularly for engineers developing, deploying and managing automated test and measurement systems. Labview programs are graphically created as flowcharts that respond to data coming in, usually from a range of instruments that NI offers. This allows engineers to concentrate on the problem at hand, rather than on arcane implementation details. He also demonstrated the LabVIEW tool with examples. A major emphasis in the future will be to access instructional and laboratory components via the Internet. He explained how the Intranet link at the university campus may also be used to bring the real-time laboratory data into the classroom teaching to support the theory. The Vote of Thanks was delivered by Prof. Ganesh Lohote.

Subject: Thanking for conduction of guest lecture

Respected Sir,

With reference to above mentioned subject we thank you for conducting a guest lecture on Recent Trends of LabView Software in electrical engineering department of JSPM'S BSIOTR , Wagholi on 16/9/2019.

The guest lecture was immensely helpful to the students

Thanking you

 " TRAINING AND PLACEMENT CELL ACTIVITIES "
 ACADEMIC YEAR 2019-20 SEM I

Name of the activity : Recent trends in Labview software

Trainer/Speaker Details : Mr. Hitesh Daundkar
 certified Lab view associate
 developer.
 owner : Hightech solution
 passout student EE department BSIOTR
 Batch (2018-19) .

Speaker Evaluation

Title of Presentation

Recent Trends of Labview software

Name of Speaker

Hitesh Daudkar

Use the following key to rate the speaker on the statements below

A) Totally Agree	B) Agree	C) Somewhat	D) Disagree	E) Totally Disagree
1. The speaker imparted very useful content				B
2. Can you recommend the speaker to a colleague?				A
3. How can you rank your experience with the speaker?				B
4. The presentation skills of the speaker were engaging				C
5. The speaker nurtured good relations with the audience and was able to handle individual need well				B
6. The handouts were handy and will be used for reference				A
7. The audio/visual were of good quality				C
8. Would recommend the speaker for the next session?				C
9. What would you like to see the speaker do differently to make his/her presentation better?				C
a) Communication	11) Understanding of Content		c) Time management	

What overall grade do you give the speaker on this specific seminar/ meeting?

(a) communication
 (c) time management.

Department of Electrical Engineering

5.1.2 Following capacity development and skills enhancement activities are organised for improving students' capability.

1. Soft skills

2. Language and communication skills

3. Life skills (Yoga, physical fitness, health and hygiene, self-employment, and entrepreneurial skills)

4. Awareness of trends in technology

Year	Name of the capacity development and skills enhancement program	Period (from date - to date)	Number of students enrolled	Name of the agencies/experts involved with contact details (if any)
2018-19	Soft skill and Personality Development	7th, 21st, & 28th Feb 2019	69	Prof Sai Balgude
	Design, Manufacturing Testing of three phase distribution Transformer	26-03-2019 - TO - 30-03-2019	34	Mr. Sanjay Chaudhari
	Workshop on Industrial approach on electrical and electronics	20-08-2019 - TO- 22-08-23	139	Mr. Nschiket D. Kulkarni

Vision: "To Satisfy the aspirations of youth force, who want to lead the nation towards prosperity through techno-economic development"

Mission: "To provide, nurture and maintain an environment of high academic excellence, research and entrepreneurship For all aspiring Students, which will prepare them to face global challenges maintaining high ethical and moral Standards"

Appreciation Letter

To,

Mr. Nachiket D. Kulkarni

Kenin Transformers Latur

Subject: Appreciation Letter for conduction of A Workshop on Design Manufacturing and Testing of Distribution Transformer".

Dear Sir,

We appreciate your efforts for conducting A Workshop on Design Manufacturing and Testing of Distribution Transformer a practical Approach. This workshop will help all participates in deep understanding the of Design of transformer followed by its manufacturing and testing. We thank you for sharing your knowledge and skills with us.

Hoping fruitful correspondence in near future.

Thanking You,

Prof. N. N. Ghuge

Report On Industrial Approach in Electrical and Electronics Workshop

DATE: 20th to 22nd August 2018

TIME: 8:30AM TO 6:30PM (30HRS)

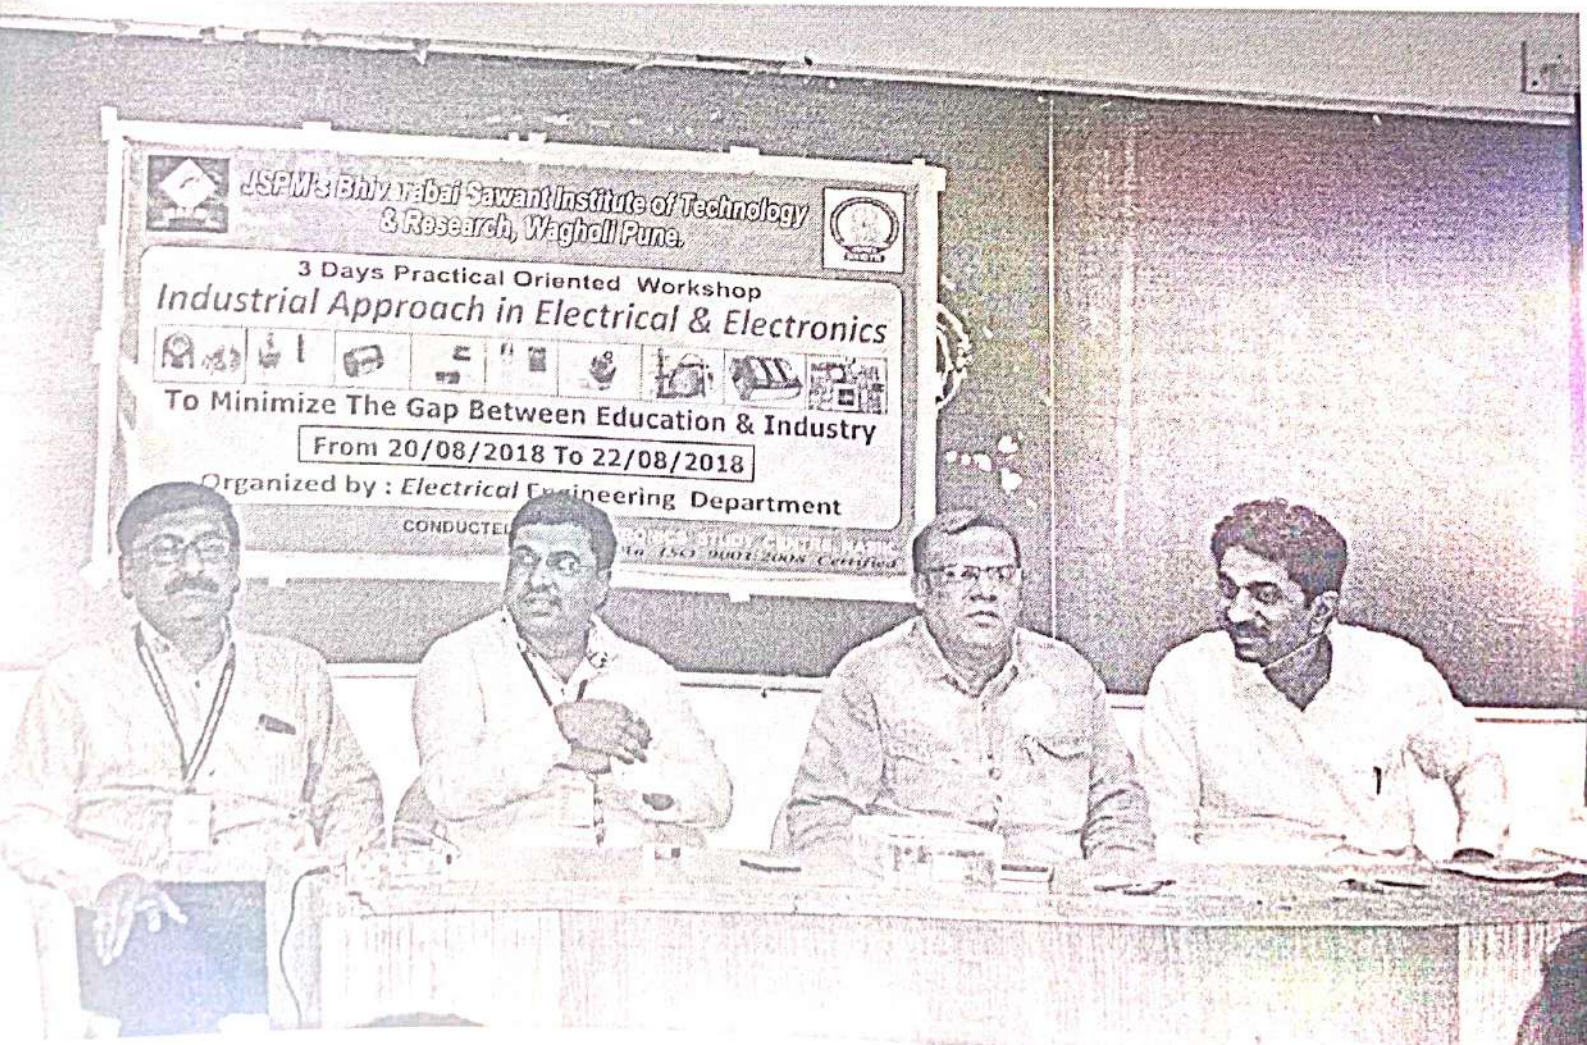

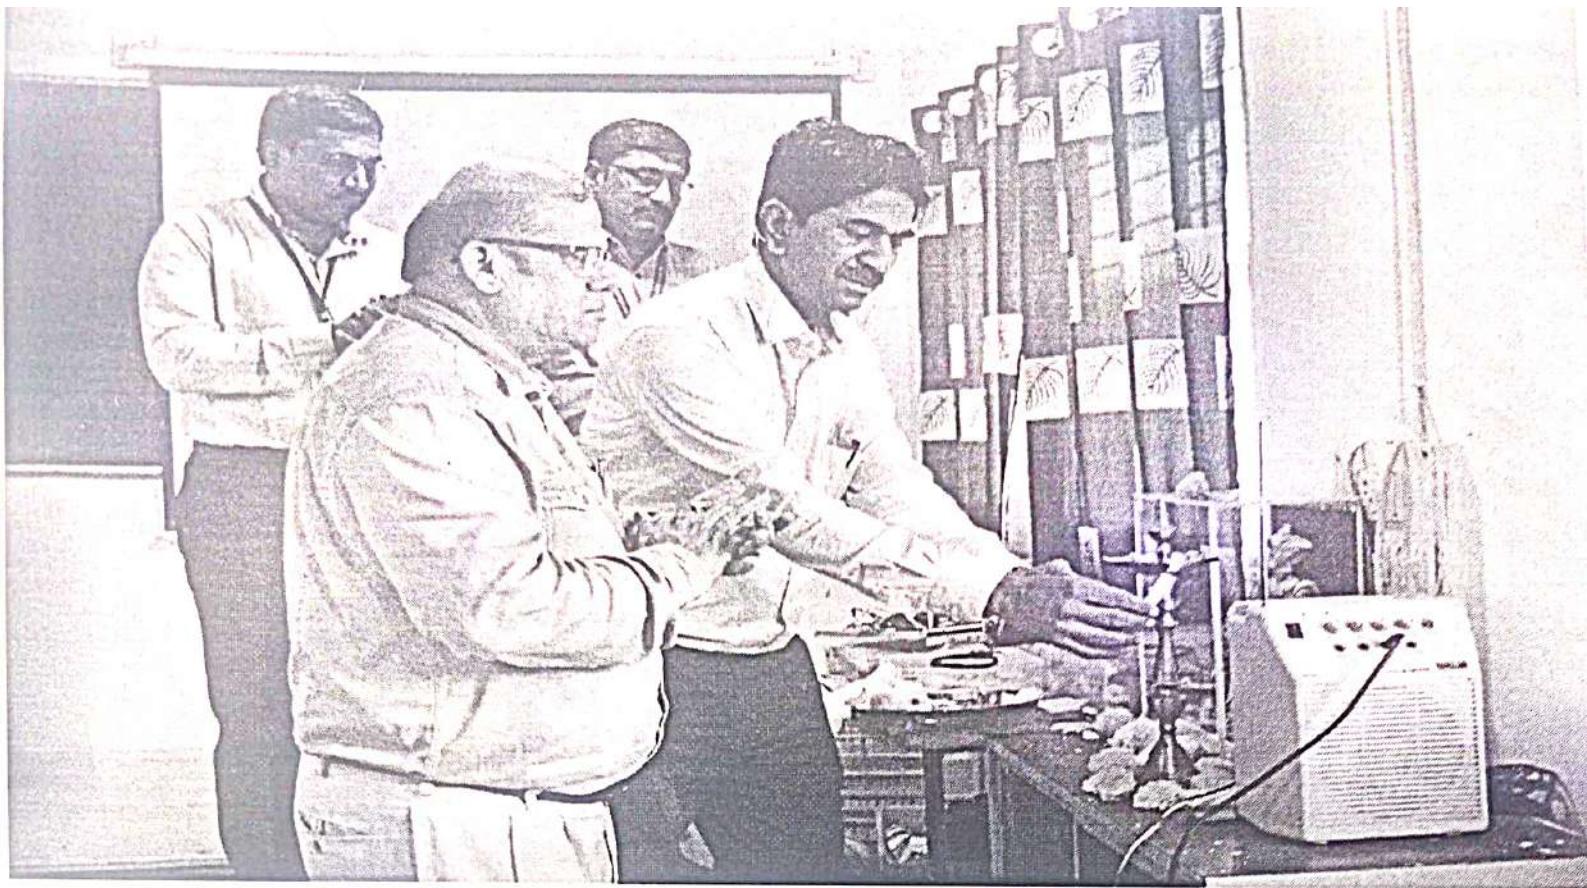

RESOURCE PERSON: Mr. Sanjay Chaudhary

VENUE: Dept. of Electrical Engineering, BSIOTR, Wagholi, Pune -412207

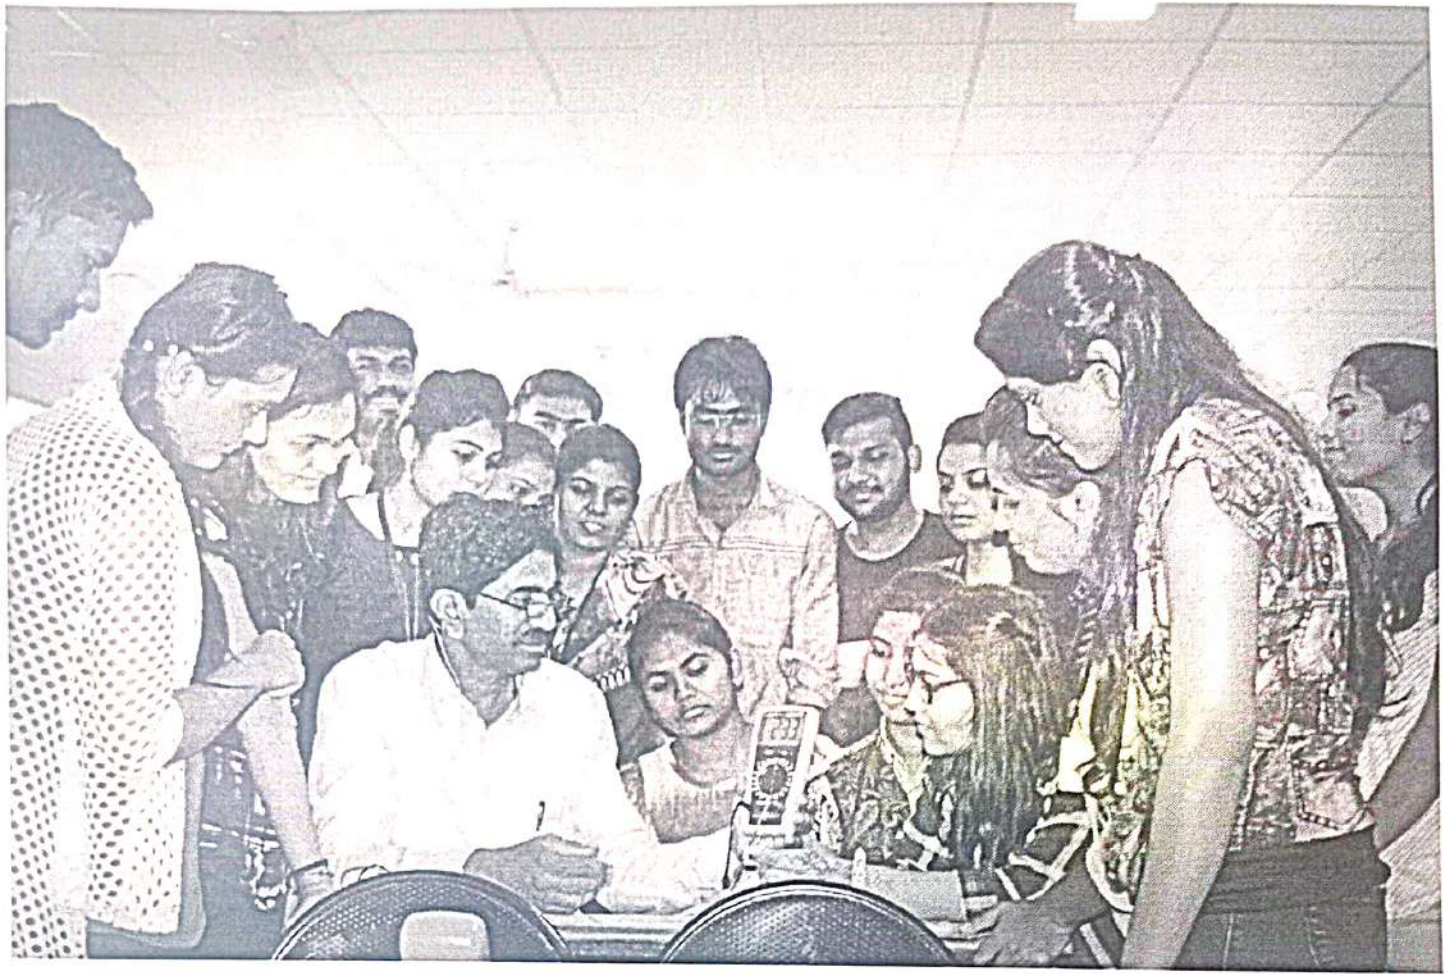

FACULTY COORDINATOR: Prof. Pallavi Kadam

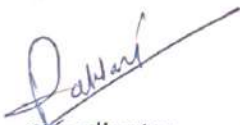

Electrical Department of Bhivarabai Sawant Institute of Technology & Research hosted Three Days Workshop on Industrial Approach in Electrical & Electronics dated from 20th to 22nd August 2018. Expert for the workshop were from Electronics Study Centre. with whom department has made 5 year MOU.

Study of power electronics components with industrial approach is very essential part in today's era, as all the equipments are built with base of power electronics components. The increased use of the component is because of less power consumption, compact size and the look of the device. In second year and third year of electrical engineering subjects like Analog and Digital Electronics and Power Electronics covers the theory of Electronics components but student won't get explore to the industrial approach, as there is much difference in Industrial and theoretical knowledge. To give the industrial exposure to students this workshop was organized. Students get acquainted with practical knowledge of electronics components through this workshop. Around 53 students from third year and final year were participated in this workshop and enjoyed its study, testing, designing and assembling of circuits during these three days. This workshop will also help student to step into the industries and to develop their own projects.

Department of Electrical Engineering

Notice

The department of Electrical Engineering is going to organize a three days Workshop on Industrial Approach in Electrical & Electronics. From 20th to 22nd August 2018. Students who are interested to attend the workshop can submit their name to the coordinator Prof. Pallavi Kadam

Workshop Fees: Registration charges are Rs.800 per Participant

Location: Seminar Hall, Department of Electrical Engineering JSPM's BSIOTR, Wagholi.

Registration Dates: Upto 16/08/2018

To,
The Campus Director,
JSPM's Wagholi Campus,
Pune.

Subject: Conduction of Workshop on "Industrial Approach in Electrical & Electronics." In
BSIOTR, Wagholi.

Respected Sir,

The Electrical Engineering department requests your permission to organize a workshop on
"Industrial Approach in Electrical & Electronics." on 20th to 22nd August 2018.

This workshop aims to provide a platform for Understanding the latest concepts and technology in
Electronics Components area. It will be great honor for us to conduct the same in our Institute.

So, we request to grant the permission for the same. No. of expected participants will be 60.

Following are the details of budget.

Sr. No.	Description	Qty	Amount in Rs.
1.	Remuneration for Experts (Including TA , DA)	4	39900/-
2.	Certificate (Color A-4 Size)	60	1200/-
3.	Pamphlet (Color, A-4 Size)	10	500/-
4.	Bouquets for Inauguration for Experts	2	300/-
5.	Miscellaneous		500/-
Total Budget			Rs. 42400/-

Expected Revenue : 800rs x 60 = 48000RS/-

The workshop will definitely be a value addition for students and faculty.
So, kindly allow for the same. Thanking You.

Dr. N. N. Ghuge
HOD, EE. Dept.

Dr. T. K. Nagaraj
Principal, BSIOTR

Invitation Letter

To,
Mr. Sanjay Chaudhry
Electronics Study Centre,
Nasik.

Subject: Invitation Letter for conduction of workshop on Industrial Approach in Electrical & Electronics.

Dear Sir,

We are coordinately inviting you to conduct a workshop on Industrial Approach in Electrical & Electronics. This workshop will help All participates in deep understanding the latest technologies in Electronics Components

The details about workshop are as follows,

Venue: - Dept. of Electrical Engineering,
BSIOTR, Wagholi, Pune -412207

Date: 20th to 22nd August 2018

Time: - 08:30am to 6:30pm.

Eagerly waiting for your acceptance for the Workshop

Thanking You,

Dr. N. N. Ghuge
HOD

Participant's Feedback Form

1) How do you come to know about this workshop:—Institute/Teacher/ Ex Participant/ Pamphlet/

any other please specify _____

2) Had you previous knowledge about components information before to continue this workshop:- Yes / No

3) Improvement in Information Knowledge after completing this workshop:-

a) Identification-Satisfied / Good / Excellent

b) Testing-Satisfied / Good / Excellent

c) Possible fault-Satisfied / Good / Excellent

d) Ratings-Satisfied / Good / Excellent

e) Other specification-Satisfied / Good / Excellent

f) Function/ Application- Satisfied / Good / Excellent

4) Whether satisfied with –

a) Workshop material-Satisfied / Good / Excellent

b) Demo Models- Good/Better/Excellent

c) Practice-Satisfied / Good / Excellent

d) Teaching method-Satisfied / Good / Excellent

5) Improvement in Technical Skill-

a) Soldering - Satisfied / Good / Excellent

b) PCB-Satisfied / Good / Excellent

c) Use of Tools-Satisfied / Good / Excellent

6) What do you feel about this workshop _____

This workshop is too good to get the practical knowledge about the equipments of electrical and electronics. It is good for our future.

7) Any suggestion to improve this workshop _____

8) Would you like to suggest to your friends & persons in concern field about this workshop- Yes / No

9) Would you like to participate Winter Internship Training at Nasik Yes / No

6) What do you feel about this workshop It is very helpful for us.

before attend this workshop I really don't know about many of the components. now I can identify them, test them.

I don't had interest in technical things but now I really curious about that & I like to improve more technical knowledge

7) Any suggestion to improve this workshop

Add some more practical things.
Not satisfied, from that.

8) Would you like to suggest to your friends & persons in concern field about this workshop- Yes / No

9) Would you like to participate Winter Internship Training at Nasik Yes / No

Date: 16/1/2019

Notice

All TE & BE Students are hereby informed that Expert Lecture on "Preparation for competitive Exams" is arranged on 24/1/2019 at 11:30 to 12:45 pm in electrical department, so all students are informed to be present for the same, attendance will be taken during lecture.

Note: Students should wear uniform and I card is compulsory.

HOD

Dr. N. N. Ghuge

JSPM'S

**BHIVARABAI SAWANT INSTITUTE OF
TECHNOLOGY AND RESEARCH, WAGHOLI, PUNE
DEPARTMENT OF ELECTRICAL ENGINEERING
Report of Expert Lecture**

Title: The Preparation for Competitive Exams

Expert: Mr. Vibhav Srivastava

Date: 24th January 2019

Venue: Seminar Hall, Electrical Engineering Department at BSIOTR, Wagholi

Details of Participants: 6th and 8th semester Electrical Engineering students .

A Guest Lecture by Mr. Vibhav Srivastava on "The Preparation for Competitive Exams" was delivered on January 24th, 2019 for TE & BE students. The speaker chose to emphasize on two main components of Competitive exams in the country namely the Union Public Service Commission (UPSC) and the Maharashtra state Public Service Commission (MPSC). The speaker served as a ray of optimism for the students by ushering in the success stories of two IAS officers. Followed by the bouts of motivation, the speaker threw light on the Union Public Service Commission (UPSC) and stressed on the intricacies of it, such as the Qualifications, Number of Attempts, Reservations, Cut-off marks and the total number of services which comes under it. He also elaborately discussed on the Exam Cycle which takes an entire year to complete. He made the inquisitive students learn how to apply for the exam. He passed on a list of sources to refer for preparation to the staff members from whom the students could collect. The students listened vividly when he explained the marking system for the exam. He instructed the students to follow the three R's- Read, Revise, Recollect, required to succeed in the exams. He wanted the students to stick to the basics and be consistent in whatever endeavor they undertook. He preached the importance of having Conceptual Clarity to the listeners. He maintained that the Blue Print Approach was necessary to gauge the mindset of the question paper setters. He explained in detail the Preliminary, Mains and Interview part of the examinations. Overall, the Lecture was highly Informative and Educative to the aspiring and ever-enthusiastic students of the department. The speaker made it clear that the main objectives

of the exams were to unearth rough diamonds of the country to carry out the tedious Bureaucratic Business of the land. The exams, in his words, were meant not only to the elite sections of the society but to everyone in the country. He finally concluded by stating that the exams were tough but not impossible to crack. This lecture was followed by an interactive session with the speaker. The Highly motivated students raised a variety of questions to the speaker to which he answered with unwavering enthusiasm. Overall, the speaker was extremely happy with the response made by the students. The Vote of Thanks was delivered by prof. Pallavi kadam.

THANKS LETTER

To,
Mr. Vibhav Srivastava
Respected Sir,

On Behalf of Electrical Engineering Department, we feel obliged for speaking recently to our department on "The preparation for competitive exam". Your Presentation was admirable and added value to everyone. We all are thankful for sharing your precious time and expertise with us.

Sincerely

Dr. N. N. Ghuge

EVENT REPORT**

“Yoga Day Celebration”

1.	Name of the Event	Yoga Day Celebration
2.	Day & Date of the event	21/6/2018
3.	Time of the event	8:30am to 9:30am
4.	Venue of the event	VC Room (311) IT Dept, BSIOTR, Wagholi, Pune
5.	Number of Participants	74

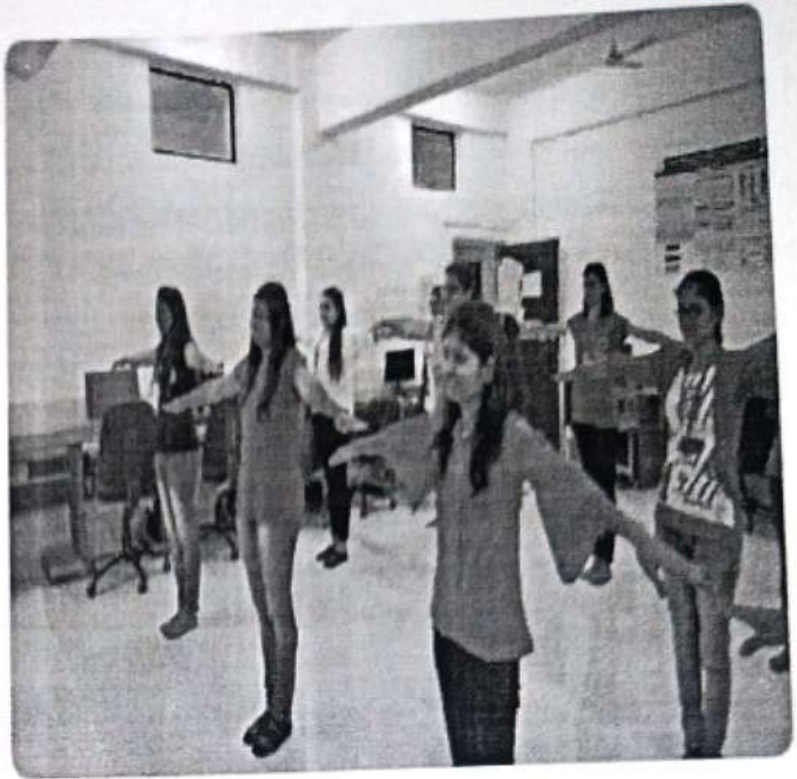

Introduction:

On the 21st June 2018 our IT Department celebrated “International Yoga day”. It was a great event and each and every student together with our entire staff enjoyed this event to the fullest. Prof. Manjiri Kokate Madam & Prof. Mahadev Kumbhar Sir, guided students with different ‘ASANAS’ and explained their importance in our daily life.

International Day of Yoga, or commonly and unofficially referred to as Yoga Day, is celebrated annually on June 21 since its inception in 2015.

An international day for yoga was declared by the United Nations General Assembly (UNGA) on December 11, 2014, almost unanimously. Yoga is a physical, mental, and spiritual practice attributed mostly to India. The Indian Prime Minister Narendra Modi

In his UN Address suggested the date of June 21, as it is the longest day of the year in the Northern Hemisphere and shares special significance in many parts of the world.

usion: -

- From the celebration we learn that "The relaxation techniques incorporated in yoga can lessen chronic pain, such as lower back pain, arthritis, headaches and carpel tunnel syndrome".
- At last I would like thank Prof. Ankita Tidake, Prof. Pramod Dhamdhare, Prof. Nilesh Thorat, Prof. Salunke Appasaheb, Prof. Pallavi Shejwal, Prof. Paresh Sonawane, Prof. Manjiri Kokate, Prof. Mahendra Sawane who supported to make this occasion successful.

6. Detailed Description:

The eagerly awaited visit to the National Defence Academy (NDA) happened on 24th of March 2019. It is situated at Khadakwasla and spread across a huge 7,015 acres and also comprises of the Ganhaqad fort.

The two Ex-servicemen then carried out the final security procedures and briefed us on what was to be expected ahead at 9:30 AM.

As we entered the gate of the academy, the words 'National Defence Academy' came to our minds. As we walked towards the city, the campus felt like a distant place, a distant dream for any ordinary citizen. The National Defence Academy is the first to service

academy (Navy, AirForce, Army) in the world and amongst the top rated ones. Here, the cadets of the 3 armed forces are trained before they resume their pre-commissioning training in their respective service academies. The NDA was established on 7th December 1954 and was Inaugurated on 16th January, 1955. Each year about 3,20,000 applicants are scrutinized based on various parameters such as general aptitude, social and physical skills, interviews and medical tests, out of which only 1500 candidates are absorbed and are divided in two batches. A cadet must undergo 6 terms considered as 3 years before earning a BA or BSC or the recently added Computer Science.

All the students were taken to the Habibulla hall and a short movie was shown to everyone, it was all about the life and training of a cadet, starting from their tough daily scheduled training to their final parade.

Soon, everyone was taken to the museum where the history was depicted and all the information about the evolution of weapons including tanks, guns and fighter planes was displayed.

Students were guided by the cadets to the stables, where all the information about the horses, their breed, life span and feeding was briefed.

From there the students were taken to the hangers where a professional instructor was there to provide us information about different training aircrafts like super dimona which is a sailplane, actually not a sophisticated aircraft.

And the trip ended with a quick visit to the kabaddi training ground

"OUR GREAT NATION CAN ADVANCE ONLY IF WE ARE UNITED. OUR ARMY, OUR NAVY AND OUR AIR FORCE DRAW THEIR MEN FROM ALL PARTS OF THE COUNTRY AND ARE A SYMBOL OF OUR UNITY AND HOMOGENEITY. I WISH ALL OF US COULD IMBIBE THAT SPIRIT".

INDUSTRIAL VISIT REPORT

1.	Name of the Event	Industrial visit to Bangalore
2.	Day & Date of the event	21/03/2019 to 23/03/2019
5.	Number of Participants	44

Description: An industrial visit to JVS electronics and Hindustan Aeronautical Limited and few sightseeing. Bangalore and Mysore started from 20th March '19 from Pune Station at 11:30am.

Day 1: Bangalore

Morning slot: Checked In at Bangalore Gate Hotel.

Afternoon slot: Visited Hindustan Aeronautical Limited(HAL).

Evening slot: Visited Visvesvaraya Industrial And Technological Museum.

Day 2: Mysore

Morning Slot: Experienced the beauty of Mysore at the Glorious Mysore Palace.

Afternoon Slot: Went to Sri Chamarajendra Zoological Garden.

Evening Slot: Experienced the freshness of nature at Brindavan Gardens.

Day 3: Bangalore

Morning slot: Visited JVS Electronics Company.

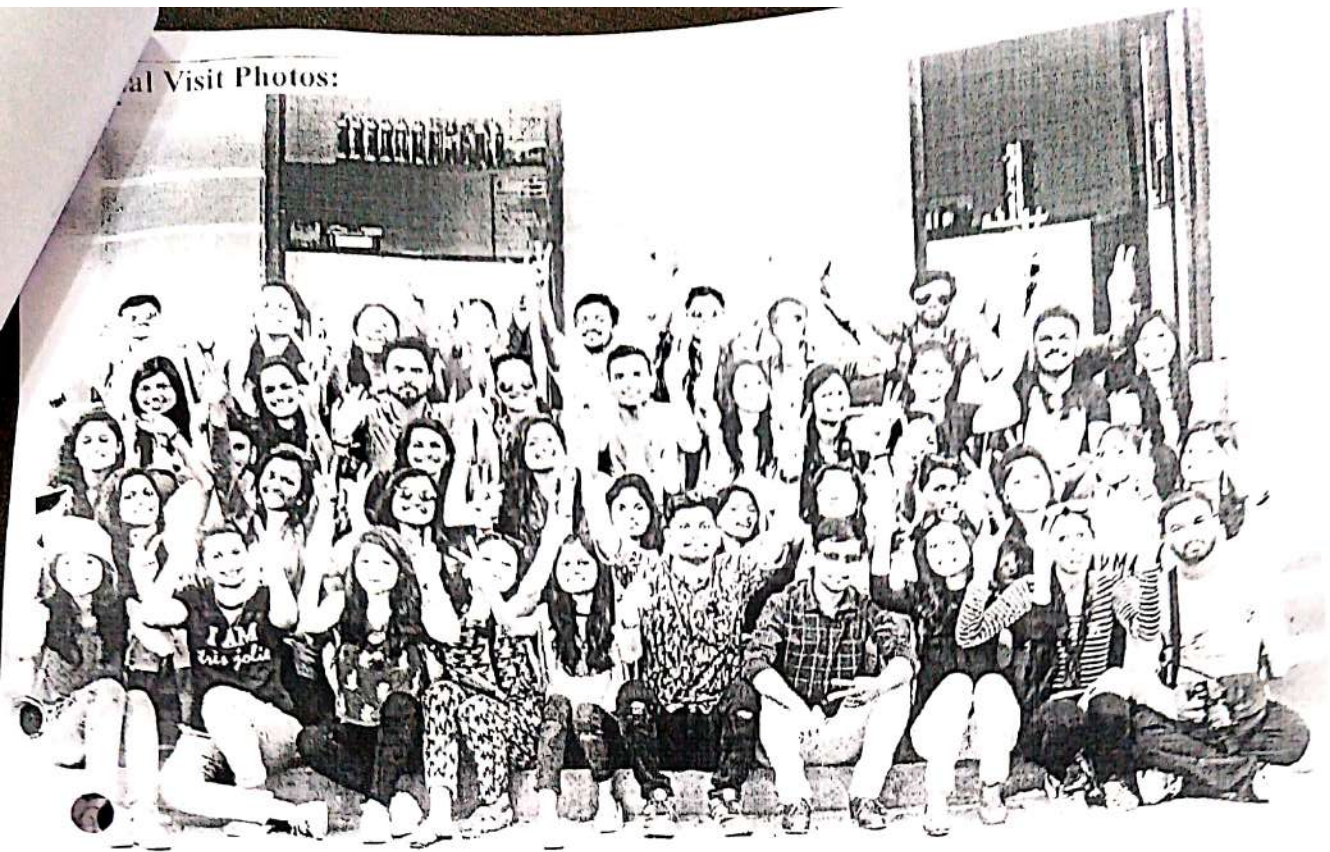

Afternoon Slot: Worshiped lord Krishna at a peaceful temple named ISKON Temple.

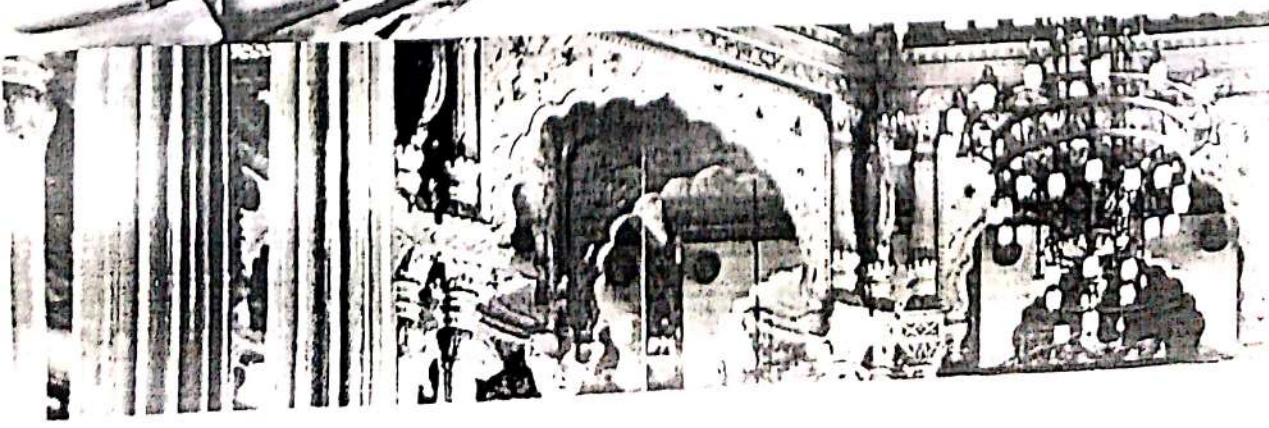

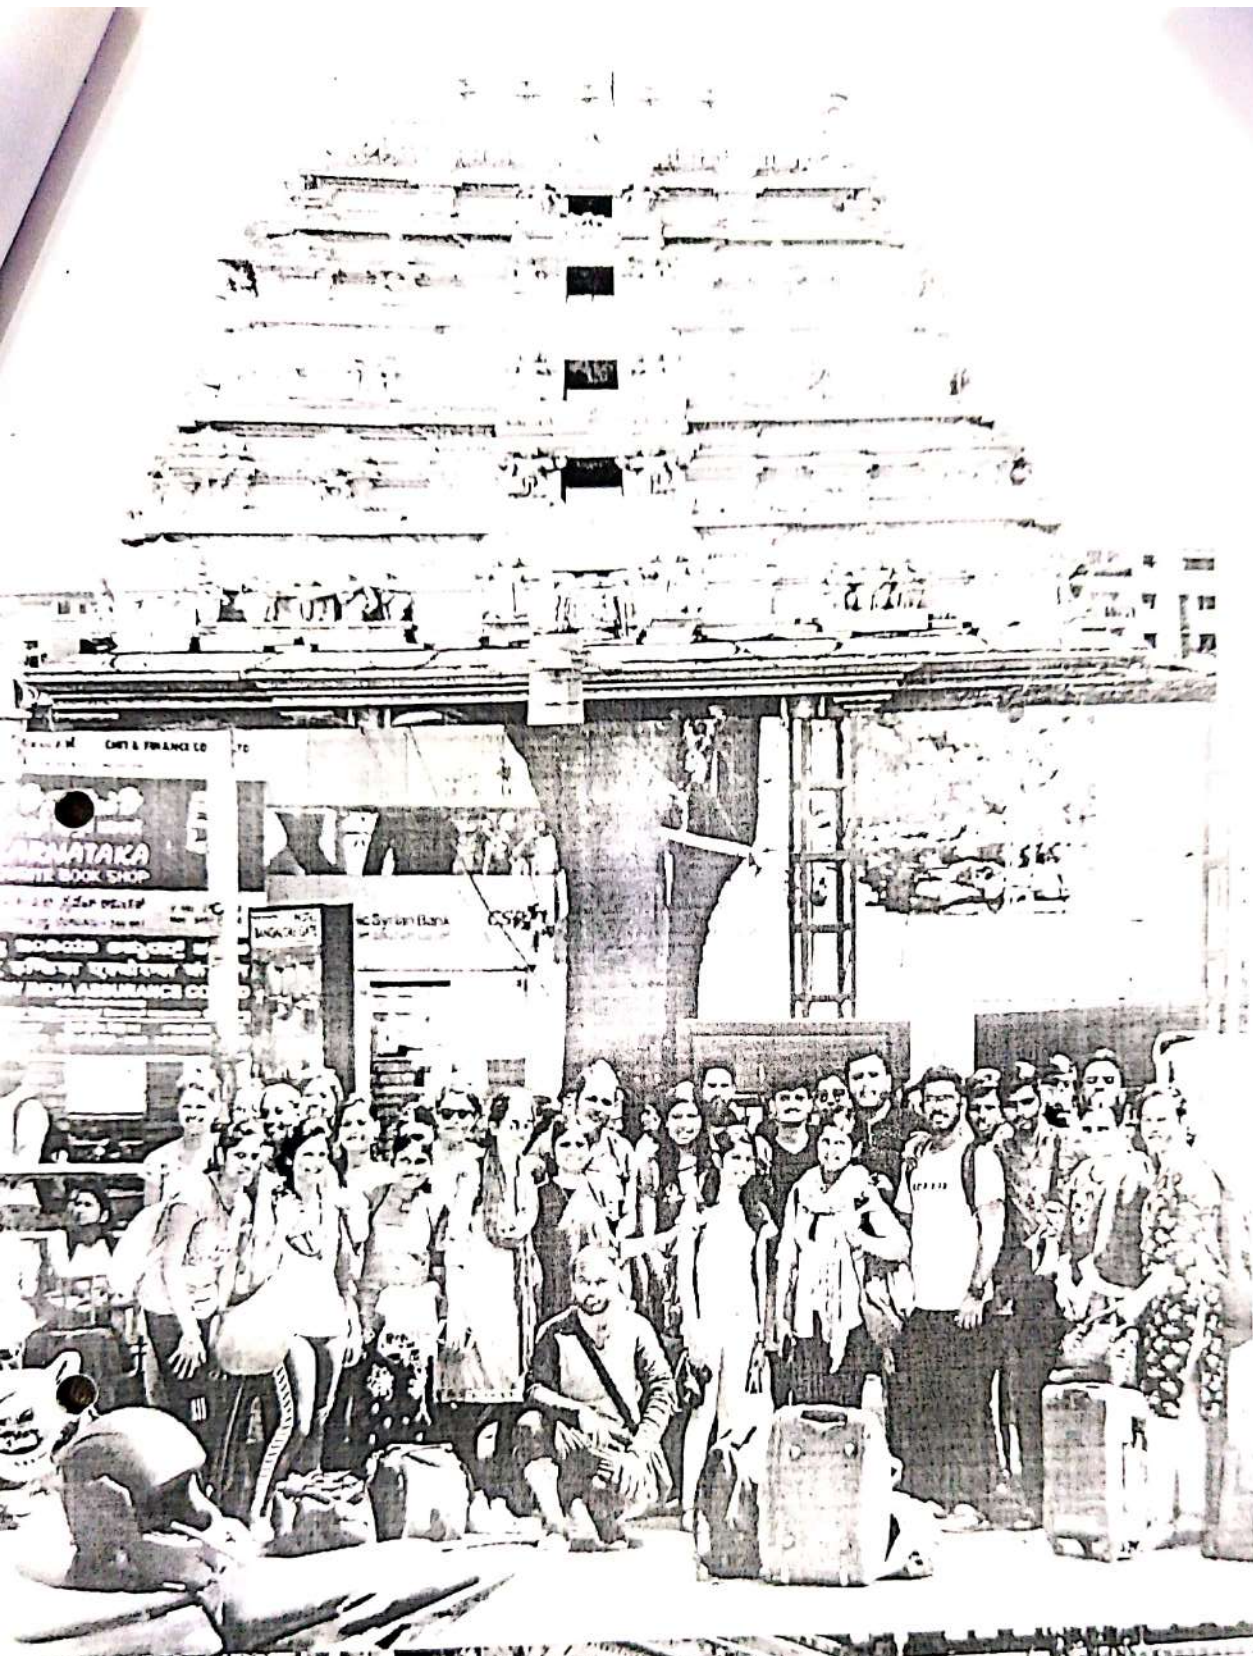

Evening Slot: Visited Lalbagh Botanical Garden.

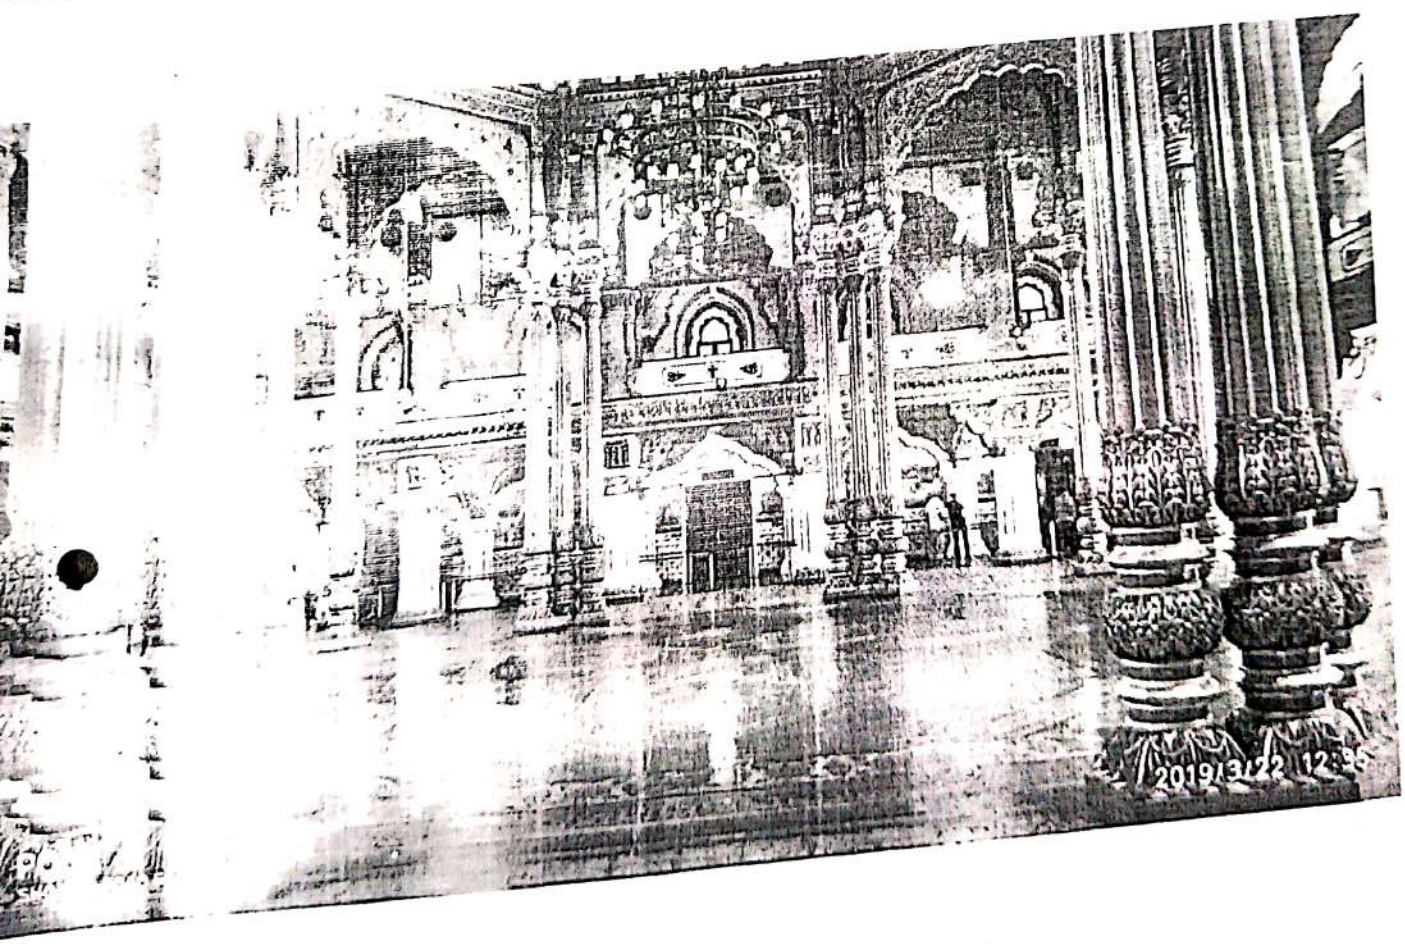

Departed from Bangalore station at 8:30pm towards Pune.

Aim:-Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this- it lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim industrial visit is to provide an exposure to students about practical working environment. They also provide students a good opportunity to gain full awareness about industrial practices. Through industrial visit students get awareness about new technologies. Technology development is a main factor, about which a students should have a good knowledge. Visiting different companies actually help students to build a good relationship with those companies. We know building relationship with companies always will always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practical. Students will be more concerned about earning a job after having an industrial visit.

Tour to BSNL, Pune

Date & Time: 28/02/2019, 10:00 AM to 5:00 PM

Venue & Place of Company: RTTC, BSNL, Pimpri-Chinchwad, PUNE

Duration: 1 Day

Total Number of Students: 60

Organized By: JSPM's BSIOTR

Details:

Training was planned in 3 parts by the BSNL administration.

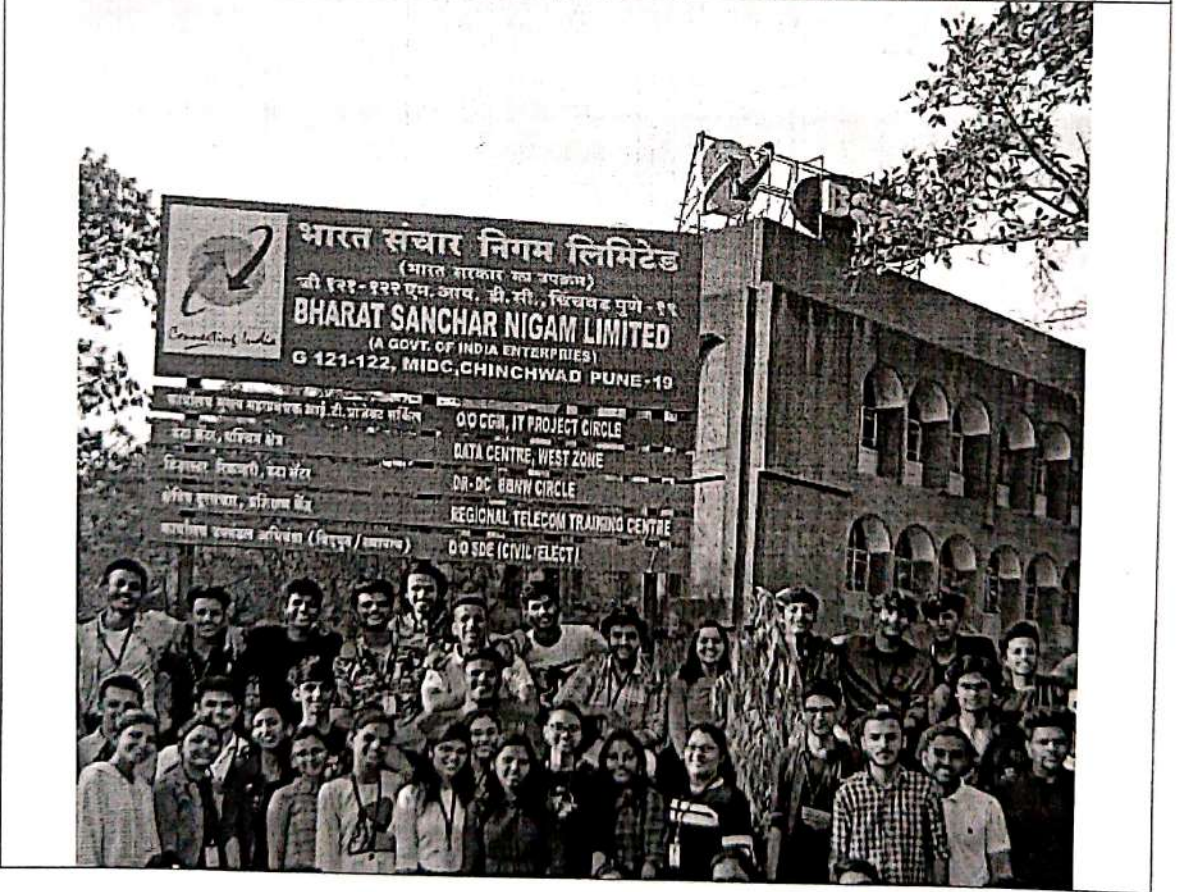

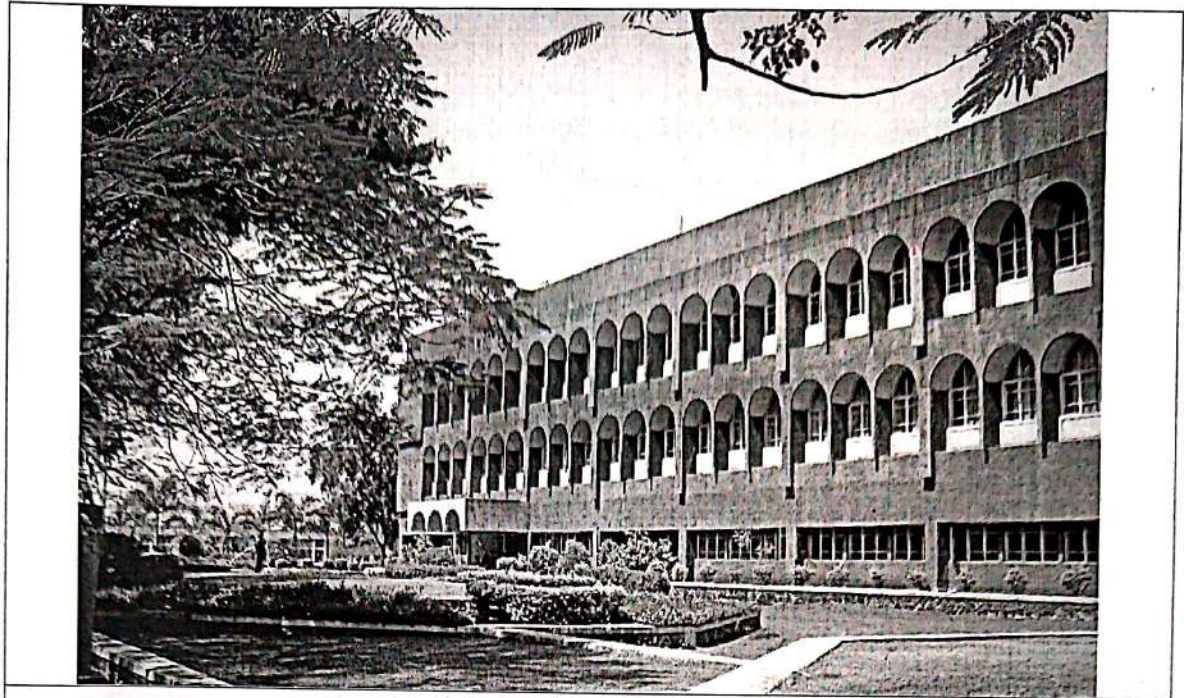

Part 1: Theoretical Base Building.

Part 2: Practical's and Hands on Training.

Part 3: Visiting BSNL Exchange office at Karvenagar.

The training was started and had an introductory lecture on the basics of Data communication. During this Introduction lecture, the faculty member delivered simple and all the basic information related to data communication.

Coordinator	Dr.Y.S.Angal & Prof.D.D.Khairnar
Students Participated	35
Venue	E&TC Dept. BSIOTR

The Department of Electronics and Telecommunication Engineering has organized expert lecture on "Overall development of students for industry requirements". The session was conducted by Mr. Dhiraj Shelke (Alumnus-2018 batch), he is presently working in Denlov In Bangalore. The session was start with welcome speech of Dr. Y.S.Angal (HOD, E&TC) and the vote of thanks given by Prof. D.D.Khairnar.

The guest lecture was conducted to provide the students with an insight of global exposure and understanding of various key concepts like Dedication, Self-confidence, Leadership skills, Positive attitude, Discipline, Enthusiasm, Hard work and the importance of communication in every sphere of our life. He explained the importance of having good leadership skills among students and conducted various activities in groups to explain the same. Effective communication is an important life skill that enables the students to connect with the people around them. Students got to know the importance of communication in the professional world. He suggested the ways to increase self-confidence and also develop communication skills by doing meditation and participating in different activities which will help to remove the stage fear. The lecture was interesting and gave all the students a great opportunity to learn many things in regards to developing a creative mindset, speaking fluent English and focusing on the future.

Outcome: Total 35 students were present and they will possess the necessary skills to begin their career after developing the required skills by electronics industries which benefit them, the employer and even the college.

Objective	To aware the students about the recent technologies and opportunities in computer networking
Date of Conduction	25/09/2019
Resouce Person	Mr. Achalprakash Chaudhari (Alumnus - 2018 batch) Working in Bajaj India Pvt. Ltd. Pune.
Coordinator	Dr.Y.S.Angal & Prof. D.D.Khairnar
Students Participated	40
Venue	E&TC Dept. BSIOTR

The Department of Electronics and Telecommunication Engineering has organized expert lecture on "Opportunities of Computer Networking". This lecture is conducted by Mr. Achalprakash Chaudhari (Alumnus-2018 Batch) and he is presently working in Bajaj India Pvt. Ltd. Pune. The session was start with welcome speech of Dr. Y.S.Angal (HOD, E&TC) and the vote of thanks given by Prof. D.D.Khairnar.

Today, networking is in high demand and is one of the most high-paying fields within the IT industry. The scope of duties of networking engineers can vary greatly, the main role being that of a network admin, conducting operation and maintenance of the entire infrastructure of connected devices.

Mr. Achalprakash explained the following points during the session:

1. Basics of networking
2. Networking as Career
3. Demand of networking
4. Worthy Challenges
5. Network Boom
6. Job Titles
7. Skills Education and Experience

Outcome: Total 40 students were present and they will possess the awareness about the opportunities of computer networking and necessary skills to begin their career in computer networking.

Photo 1: Dr, Y.S.Angal inaugurating the event with the welcome words.

Photo 2: Mr. Achalprakash explaining the opportunities of computer networking.

VIDEO LECTURE REPORT

TOPIC: DTV- FORMATS, TRANSMISSION AND CODING/ENCODING LAYERS

Subject: EL-III- Audio Video Engineering

Class: BE

Date of Lecture: 25/01/2020

Time: 9.30 to 10.30 a.m

Teaching Methodology Used: Synectics Methodology

The term "digital TV" is used in many different ways right now, depending on whom you're talking to. There's also the term "HDTV," which is the most advanced form of digital TV in use in the United States. The reason it gets confusing is because digital TV in the United States combines three different ideas. The first idea that is new to digital TV is the **digital signal**.

Digital TV standards allow several different **formats**. Broadcasters can choose between three formats:

- **480i** - The picture is 704x480 pixels, sent at 60 interlaced frames per second (30 complete frames per second).
- **480p** - The picture is 704x480 pixels, sent at 60 complete frames per second.
- **720p** - The picture is 1280x720 pixels, sent at 60 complete frames per second.
- **1080i** - The picture is 1920x1080 pixels, sent at 60 interlaced frames per second (30 complete frames per second).
- **1080p** - The picture is 1920x1080 pixels, sent at 60 complete frames per second.

The 480p and 480i formats are called the SD (standard definition) formats, and 480i is roughly equivalent to a normal analog TV picture. When analog TV shows are upconverted and broadcast on digital TV stations, they're broadcast in 480p or 480i.

The 720p, 1080i and 1080p formats are HD (high definition) formats. When you hear about "HDTV," this is what is being discussed -- a digital signal in the 720p, 1080i or 1080p format.

Types of Signal Transmission Techniques:

1. **Terrestrial television** is a type of television broadcasting in which the television signal is transmitted by radio waves from the terrestrial (Earth-based) transmitter of a television station to a TV receiver having an antenna.
2. **Cable television** is a system of delivering television programming to consumers via radio frequency (RF) signals transmitted through coaxial cables, or in more recent systems, light pulses through fiber-optic cables.
3. **Satellite television** is a service that delivers television programming to viewers by relaying it from a communications satellite orbiting the Earth directly to the viewer's location. The signals are received via an outdoor parabolic antenna commonly referred to as a satellite dish and a low-noise block down converter.

In order to teach these concepts, direct analogy technique is used. Questions are asked to students regarding how signal is transmitted in air, so that they can elaborate the concept. Some real life applications of formats of digital TV signals were discussed with the students.

Using personal analogy and Analog Contrast technique, the students were asked to differentiate between analog & digital TV. And finally using New Analogy technique, students in group are asked to discuss various formats and techniques of TV signal transmission.

Fig 1. Illustrates various transmission techniques, being employed for Analog and Digital TV signal transmission.

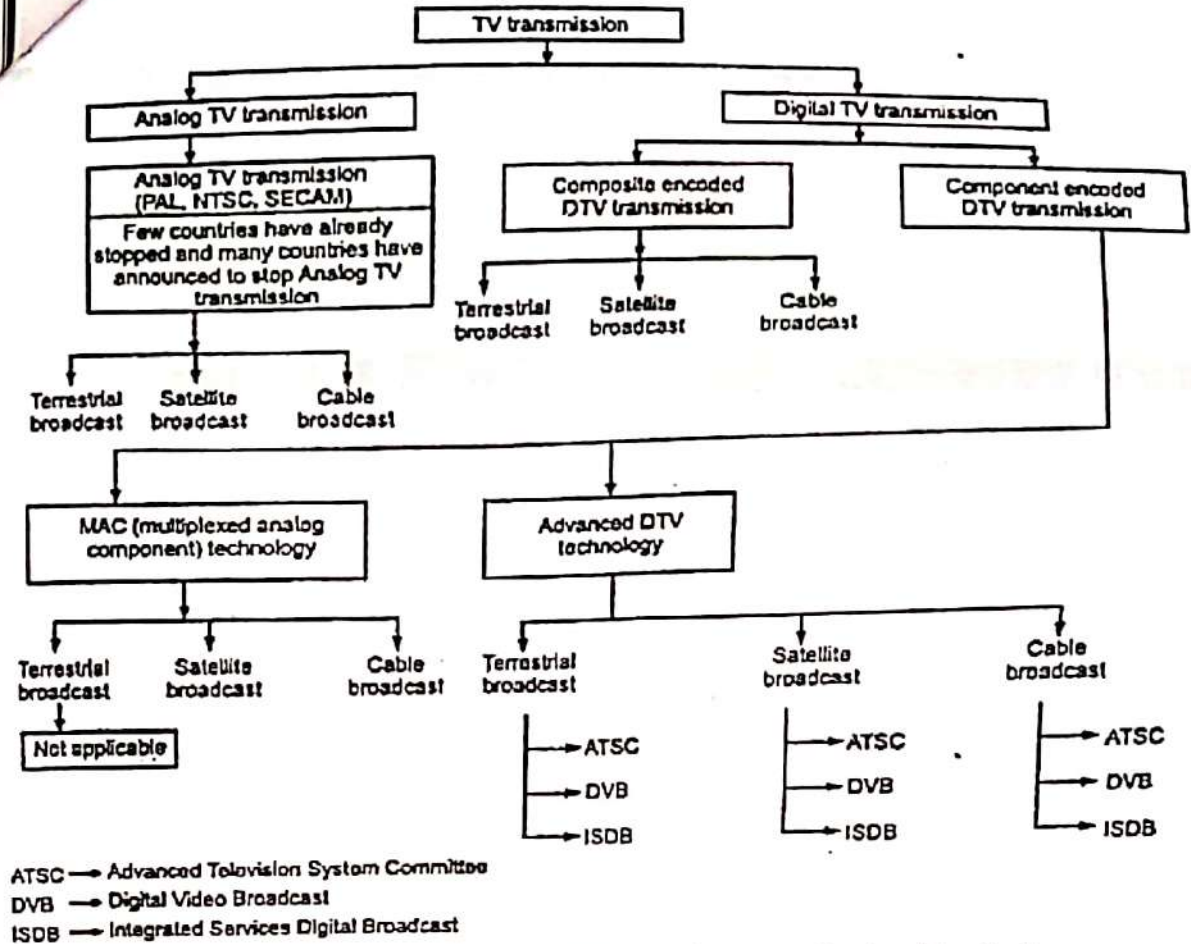

Figure 1:- Analog and Digital TV signal transmission Techniques

After discussing these examples, students were able to understand and tell the fundamentals of Digital Television, DTV standards and parameters and will be able to differentiate them.

To summarize, by using Synectics model students were attentive, interactive and were able to perform following things:

1. Categorize the techniques and types of formats.
2. Found out relationship between them.
3. Critically think.
4. Understand and remember the concept in a better way.

Department of Electronics and Telecommunication Engineering

A report on "How to stay focused on goals?"

Objective	To guide student about "How to stay focused on goals?"
Date of Conduction	24/02/2020
Resource Person	Prof.Baltej Kaur QAC Member,JSPM Group of Institute
Coordinator	Dr.Y.S.Angal and Prof.S.B.Deokar
Participatance	90
Venue	E&TC Dept. BSIOTR

A guest lecture on "How to stay focused on goals?" was held on 24th February 2020. The guest lecture was organized by the Department of Electronics and Telecommunication Engineering, Bhivarabai Sawant Institute of Technology & Research, Wagholi. This motivational session was conducted for E&TC students.

The guest lecture began with welcome address by Dr. Y.S.Angal, Head of the Department, E&TC. He has introduced and welcome Prof. Baltej Kaur, QAC Member,JSPM, resource person to deliver the lecture also motivated students to set goals and to take effort for success .

During session, Baltej Kaur emphasize on following points:

- Importance of goal setting
- Goal attainment with process approach
- Importance of Time management
- Positive thinking
- Example of eminent personality with their success.

All students participated enthusiastically. She had also share motivational video lecture of Gaur Gopal Das. The seminar was concluded with vote of thanks delivered by Pradeep Jadhav ETSA President, Prof .S. B. Deokar, event coordinator. Prof .S. B. Deokar thanked the HOD, E&TC for providing the platform to organize the Seminar.

Glimpses of lecture:

Photo 1: Dr.Y.S.Angal welcoming guest

Photo 2: Prof.Baltej Kaur delivering lecture

Photo 3: Students energetic participation

Photo 4: Motivational Video of Gaur Gopal Das to encourage students

Photo 5: Prof. Deokar S.B. giving vote of thanks

Expected Outcome:

Students are motivated toward positive thinking and targeted efforts.

A Guest Lecture on
"ADVANCEMENTS IN MOBILE COMMUNICATION"

Objective	To upgrade knowledge about advancements in Mobile Communication among faculty members and students
Date of Conduction	28/01/2019
Resouce Person/s	Mr. Kisan Pal, Senior Technical Manager, CISCO, Pune.
Coordinator	1. Prof, Mecnakshi A 2. Prof, P.R.Shah
Faculty Participated	20
Students Participated	89 (E&TC Dept. & IT Dept.)

A guest lecture has been arranged in JSPM's Bhivarabai Sawant Institute of Technology and Research (BSIOTR) under ISTE Student's Chapter and conducted at Bhivarabai Sawant Sabhagraha on 05/03/2019 at 9.00am.

Saraswathi Pooja

The function started with Saraswathi Pooja followed by the felicitation. Dr. Y.S.Angal, Dean R&D and HOD (E&TC) greeted dignitaries, Chief guest Mr. Kisan Pal. & all the participants on behalf of the institution.

Dignitaries on the Dias

Dr. Y.S.Angal, HOD (E&TC) felicitated our Resource Person

The Chief Guest and the Resource Person of this session was **Mr. Kisan Pal**. He is working as a Senior Technical Manager in CISCO, Pune. The session has started with the objective of the program with the recent trends in mobile communication.

Mr. Kisan Pal is delivering the session

Faculties are attending the session

Students participation during the session

Interactive session

A Total of 33 students and 07 faculties students from our Institute participated in this guest lecture. This session was arranged by Prof. A. Meenakshi, ISTE Students Chapter Coordinator and Prof. P.R. Shah, ISTE Officer of this Institute.

Expected Outcome: Participants were enhanced their knowledge in the recent trends in Mobile Communication Technology. Inspiration to the faculty and students towards doing projects in this field.

Three Days Workshop on "PCB Designing"**

**Organized by
Department of Electronics & Telecommunication Engineering**

**In association with
Smartelix, Pune**

On 11th to 13th October, 2018

At

**JSPM's
Bhivarabai Sawant Institute of Technology & Research
Wagholi, Pune.412207**

Objectives of workshop:

- To make students an expert in designing of PCB.
- To make students learn and interact with renowned industry experts.

Overview about Workshop:

The Electronics & Telecommunication Department of Bhivarabai Sawant Institute of Technology and Research, Wagholi arranges the various kinds of Workshops on continuous basis to enhance student's practical & technical skill and to make them compatible with industry. To fulfill departmental goal and industry need, Electronics & Telecommunication Department has organized a three days workshop on "PCB Designing" in association Smartelix, Pune. In this workshop, knowledge of "How to design PCB?" was given to the undergraduate level students during 11th October 2018 to 13th October 2018. The technical session was taken by Mr. Amit Satpute, CEO, Smartelix, Pune. The lab (practical) session was conducted by Ms. Sayali Lokhande Smartelix, Pune.

PCB Designing is one of most emerging field in Electronics in today's era. For the students of Electronics this is a good field to start their career. PCB designers are key persons in research and development (R&D), electronics production units as well as in the PCB industry. The workshop was aimed to provide knowledge about simulation tool to test electronics circuit in software environment, PCB design software named Proteus & to make physical PCB at home, so that any student can make project on his own. Almost 31 students from E&TC Department have participated in the workshop.

Event was started by the informative and motivational talk to have a healthy "PCB Designing Workshop". The workshop started with an inaugural function at 11:00 A.M. on 11th October 2018. The HOD Electronics Dr. Y.S. Angal welcomed Trainers of Smartelix Mr. Amit Satpute & Ms. Sayali Lokhande, Students and faculties for the workshop.

Following content were covered in workshop:

- Introduction of PCB design software
- Different tools used for PCB designing
- Circuit design using software tools
- PCB Fabrication as per design input
- Testing PCB after loading components

Some Glimpse :

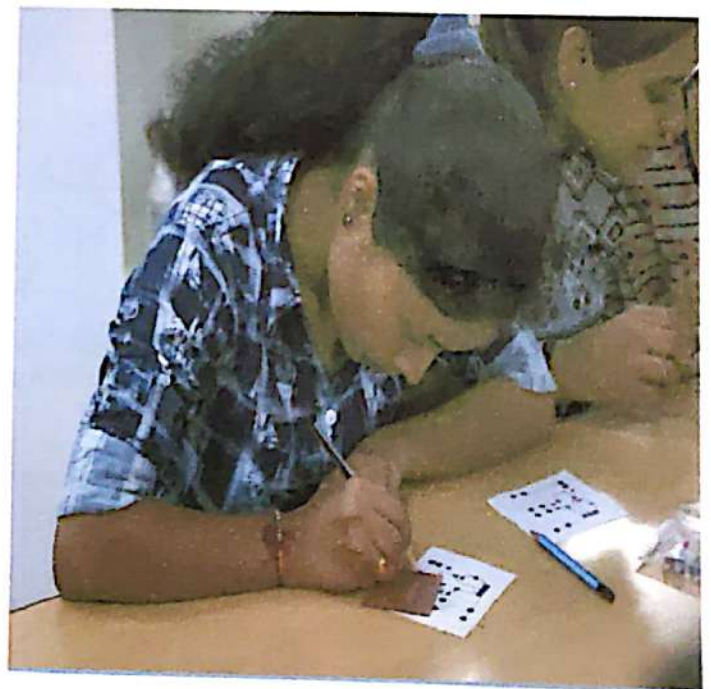

Inauguration Ceremony

A theoretical session was taken by Mr. Amit Satpute

The practical session was taken by Ms. Sayali Lokhande

Students Participation

Certificate Distribution

We are thankful to our Principal Dr.T.K.Nagaraj given an opportunity for organizing workshop. Our special thanks to Dr.Y.SAngal, given guidance for doing this type of workshop on PCB design.

Mr. Abhilash Sasane,

Design Architect,

SYNTEL Telecomm Ltd., Pune

Sub: Letter of thanks for your guidance on "Recent Trends in Telecom Industries"

Dear Sir,

We place on record our appreciation for your contribution as a resource person for Guest Lecture on "Recent Trends in Telecom Industries" organized at our Institute on 04/03/2019. Your presence and guidance to the students about broadband communication, video conferencing in cloud will definitely motivate them to achieve their goals in communication field.

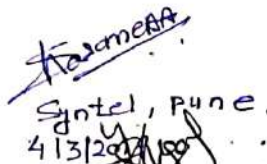

We are expecting your continued support in various technical activities at this Institute in future.

With Warm Regards.

Thanking You,

Dr. A.L. Waware

Coordinator & Dean Academics

A Report of Guest Lecture by Industry Expert On "Recent Trends in Telecommunication Industries"

Objective	<ul style="list-style-type: none"> • To create awareness among the students about the recent trends in telecomm industries. • To know the situation in telecomm industry globally • To get knowledge about VSAT, Marine Antenna, Video Conferencing in cloud.
Date of Conduction	04/03/2019
Resource person/ Industry Expert	Mr. Abhialsh Sasane
Industry	SYNTEL Telecomm Ltd., Pune
Designation	Design Architect
Coordinator	Dr. Anil L. Wanare
Target Audience	TE & BE students
Participated Students	29

Mr. Abhilash Sasane , Design Architect, felicitated by Head of the Dept. Dr. Yogesh S. Angal and Introduction of expert given by Dr. Anil Wanare, Dean Academics BSIOTR to the students

Felicitation By Dr. Yogesh Angal

Initially he has interacted with the students about their technical skill in general and he talks about the requirement of industry as fresher/ trainee engineer, and where you are? Then how to prepare for some relevant exam, to work as an Engineer in Telecommunication industry.

Delivered Lecture on Video Conferencing in cloud

Some Attendees

He has covered the contents like video conferencing in cloud, organisations involved in the same domain, how to work in telecommunication sector? what are their sub sections? and how it is beneficial to budding engineers? He also covered VAST working principal, parameters and how track the satellite, from base station (Functioning of telemetry tracking and control unit) , Satellite launch vehicles ie. PSLV, GSLV etc.

Special focus on Marine Antenna: structure designing, installing, locations, parameters objective parameters, working profile of marine antenna expert.

At the he delivered how the Syntel is providing the service and designing stages to VSAT, TTC and video conferencing process, Band width requirement, various types of lease line to support for video conferencing. After question answer session and session has been concluded by vote of thanks by Dr. A.L.Wanare.

OUTCOMES:

1. Students are aware about the Telecomm Sector and relevant organisations locally and globally.
2. They will try to get job in Satellite Industries specially TTC (Telemetry, Tracking and Control).
3. They have shown the interest to work in the video conferencing process and to get certification.

2020-21	Expert lecture on Python Prof Radha Shirbhate	7/4/2021	124	First Year Engineering Department, Bhivarabai Sawant Institute of Technology and Research Pune

FE HOD
Dr. Swati Godse

Principal
Dr. T. K. Nagaraj

Jaywant Shikshan Prasarak Mandal's

Bhivarabai Sawant Institute of Technology and Research Wagholi.

Event Title : Expert Lecture on Python

Organized by

FE(BSIOTR, Pune)

**Expert Lecture on Python -Applications &
Opportunities**

Day and Date: Friday, 11/06/2021

Time : 10:30 am

The Program was started with welcome of resource person Prof. Radha Shirbhate by Dr. Swati Godse at 10:45 AM. Initially student coordinator gave brief introduction of guest speaker. After that Prof. Radha Shirbhate delivered a seminar on "Python – Research & Industrial Applications". She gave the knowledge about basics of Python and its applications in industry. She explained how Python is a high-level, general-purpose programming language. Its design philosophy emphasizes code readability with the use of significant indentation.

Python is dynamically-typed and garbage-collected. It supports multiple programming paradigms, including structured (particularly procedural), object-oriented and functional programming. It is often described as a "batteries included" language due to its comprehensive standard library.

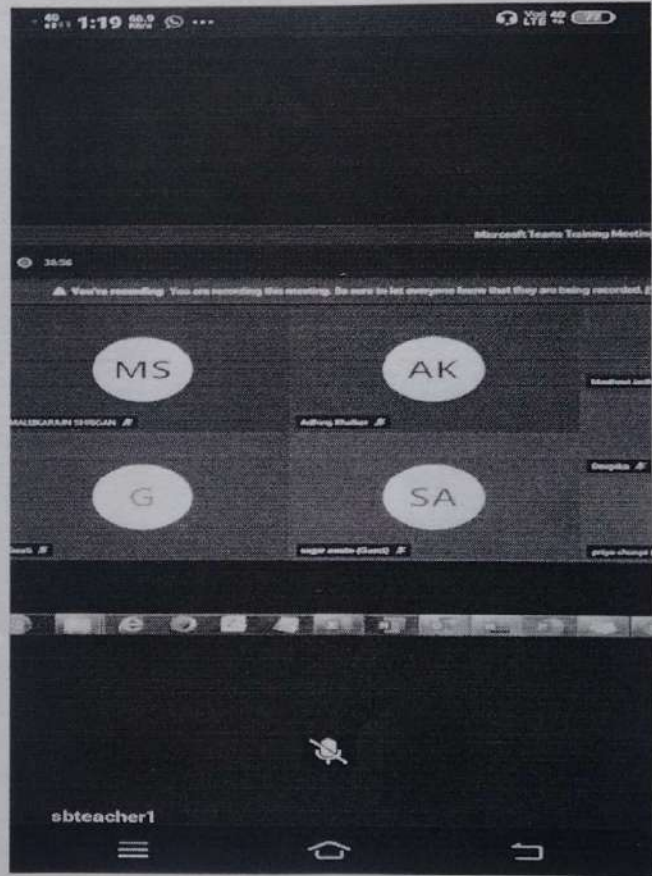

Guido van Rossum began working on Python in the late 1980s as a successor to the ABC programming language and first released it in 1991 as Python 0.9.0. Python 2.0 was released in 2000 and introduced new features such as list comprehensions, cycle-detecting garbage collection, reference counting, and Unicode support. Python 3.0, released in 2008, was a major revision that is not completely backward-compatible with earlier versions.

She also guided the students after the session. The programme was graced by the presence of Dr. Swati Godse as a chief guest, and all Staff members of FE..

The programme ended with vote of thanks on behalf of the

Institute by M.G.Shrigan at 12: 45 PM . All students along with FE Staff members attended this programme. HOD of F.E. congratulated faculty members of FE department and appreciated the efforts put by the Staff members in organizing such a Nice session. All faculty from FE Department worked hard for the success of the program. The meeting coordinated by Prof. Deepika Shevatkar.

DEPARTMENT OF ELECTRICAL ENGINEERING

GUEST LECTURE ON FACTS DEVICES & APPLICATION 2020-21 REPORT

Guest Lecture was organized for the Last Year Electrical Department Students , In Online Mode on 26TH Feb 2021. The event starts with Inauguration Speech given by Dr. N.N. Ghuge, H.O.D, Electrical Engineering Department. Prof. Krishna Kasar Assistant Professor, Electrical Engineering Department, Gives a brief Introduction regarding our Guest Mr. Sanjay Chaudhari. Prof. Gadekar, Prof. N. D. Anwat, Prof. Swapnil Narkhede and Prof. Ganesh Lohote, Assistant Professor, Electrical Engineering Department, JSPM's, BSIOTR, Wagholi, Pune were present online for the lecture.

On 26th Feb 2021 Guest Lecture was organized on Google Meet. The Guest Lecture start at 10:30 AM it last for 2 Hrs, Guest Lecture was completely organized for BE students. Topic of Guest Lecture was "FACTS Devices and Applications" was delivered to the Students. This guest lecture help our students to get knowledge regarding applications of FACTS devices, their use in electrical engineering, benefit of FACTs controllers, and Advantages and Disadvantages in electrical power system .Vote of Thanks is given Mr. K. B. Kasar. Thus, an environment of enthusiasm was experienced by every student and was helpful for future of our Students.

Vision of Department

" Human resource development to meet growing industrial & social challenges "

Mission of Department

" To impart quality education and nurture aspirants to face the growing challenges and satisfy stakeholders "

GLIMPSE OF THE GUEST LECTURE 2020-21:-

4:24 PM

Diode-clamped Multilevel Inverter (Operating Principle)

m =level
 m level output voltage
 $(2m-1)$ level o/p line voltage
 $2(m-1)$ switching devices
 $(m-1)(m-2)$ clamping diodes

Voltage V_w	Switching states	Switching sequence			
		S_{1a}	S_{2a}	S_{1b}	S_{2b}
$E_w/2$	P	1	1	0	0
0	O	0	1	1	0

DEPARTMENT OF ELECTRICAL ENGINEERING ONLINE WORKSHOP 2020-21 REPORT

Electrical Engineering department, BSIOTR has hosted two week Online workshop on PLC based automation projects(Home Automation) for the students of Electrical Department BSIOTR, Wagholi, Pune from 1st February 2021 to 16th February 2021. The inauguration of the workshop was done by Dr. T. K Nagraj , principal BSIOTR ,Wagholi pune and the vote of thanks was given by prof. Nitesh Anwat co-ordinator of the workshop. The workshop was conducted per day two hours in online mode through Google meet so to get training and to develop the concept of Programmable Logic Controller (PLC) For Home Automation.

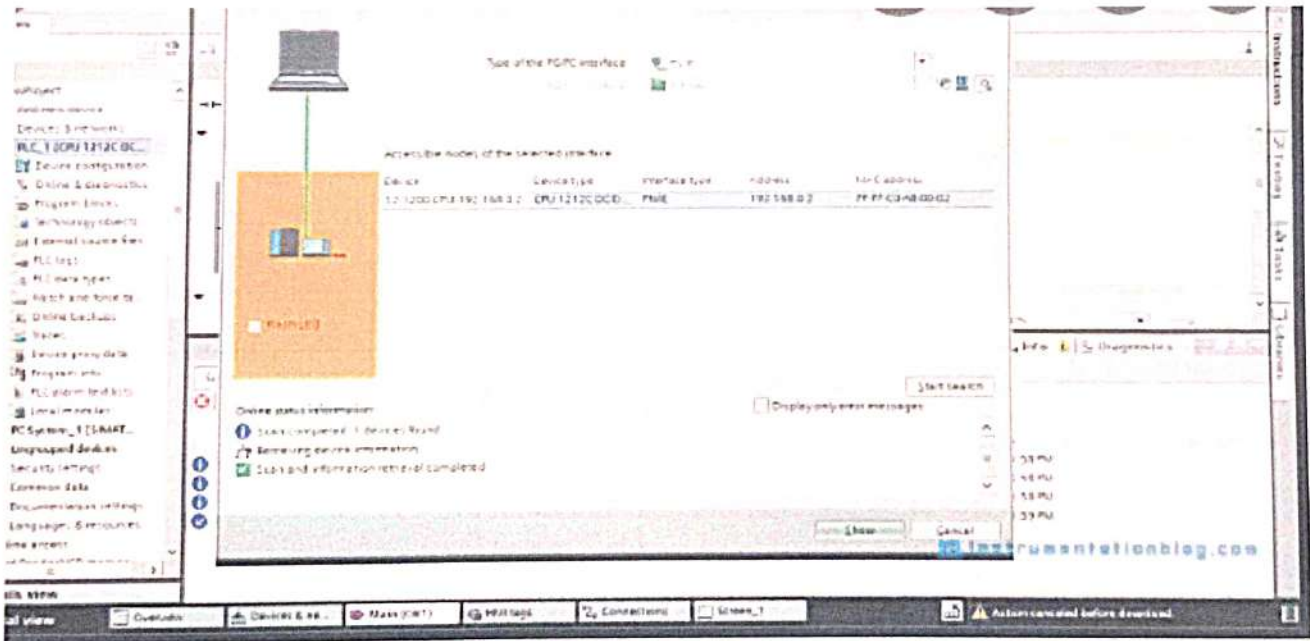

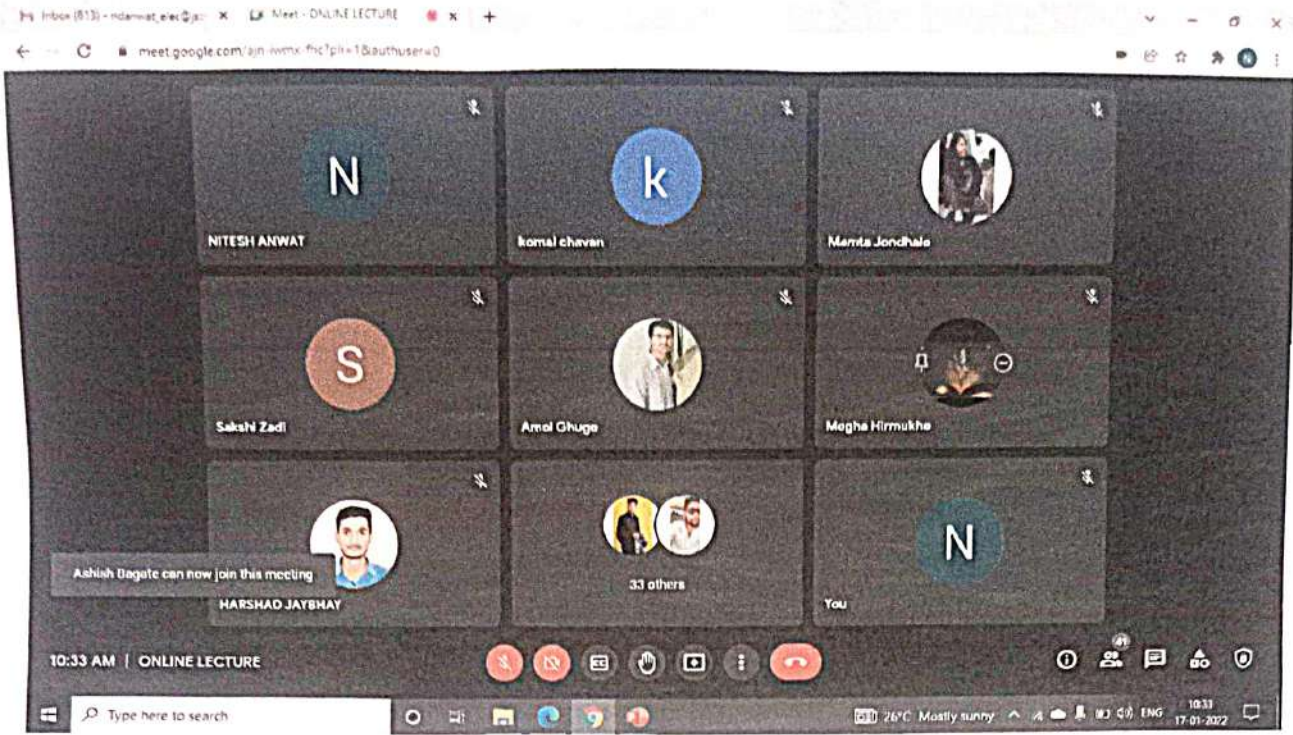

The resource person for the workshop was Mr. Vivek E. Tandale Project manager at Johnson Control Centre of Engineering , Pune . The workshop was conducted for BE students and they enjoyed the home automation through PLC. The expert gave introduction of PLC .He explained what exactly it is ,who invented it & other history, different modules of the PLC controllers , classification of PLC, Various programming techniques and the logic used. This workshop also helps the student to enter in industry and improve their approach towards practical problems raised in the industry. The workshop proved to be fruitful enough for final year student who got to know about new techniques are that are actually practiced in industries.

Vision of Department

" Human resource development to meet growing industrial & social challenges "

Mission of Department

" To impart quality education and nurture aspirants to face the growing challenges and satisfy stakeholders "

DEPARTMENT OF ELECTRICAL ENGINEERING

ONLINE WORKSHOP 2020-21 REPORT

Electrical Engineering department, BSIOTR has hosted Online workshop on PLC & SCADA Automation for the students of Electrical Department BSIOTR, Wagholi, Pune from 2nd November 2020 to 20th November 2020. The inauguration of the workshop was done by Dr. T. K Nagaraj , principal BSIOTR ,Wagholi pune. Workshop start with the introductory speech by Dr. N. N. Ghuge, HOD, Department of Electrical Engineering, BSIOTR, Wagholi, Pune. The vote of thanks was given by prof. Nitesh Anwat co-ordinator of the workshop. The workshop was conducted per day two hours in online mode through Google meet so to get training and develop the concept of PLC & SCADA Automation. The automation is an ever evolving domain, which requires constant innovation & technology advancement.

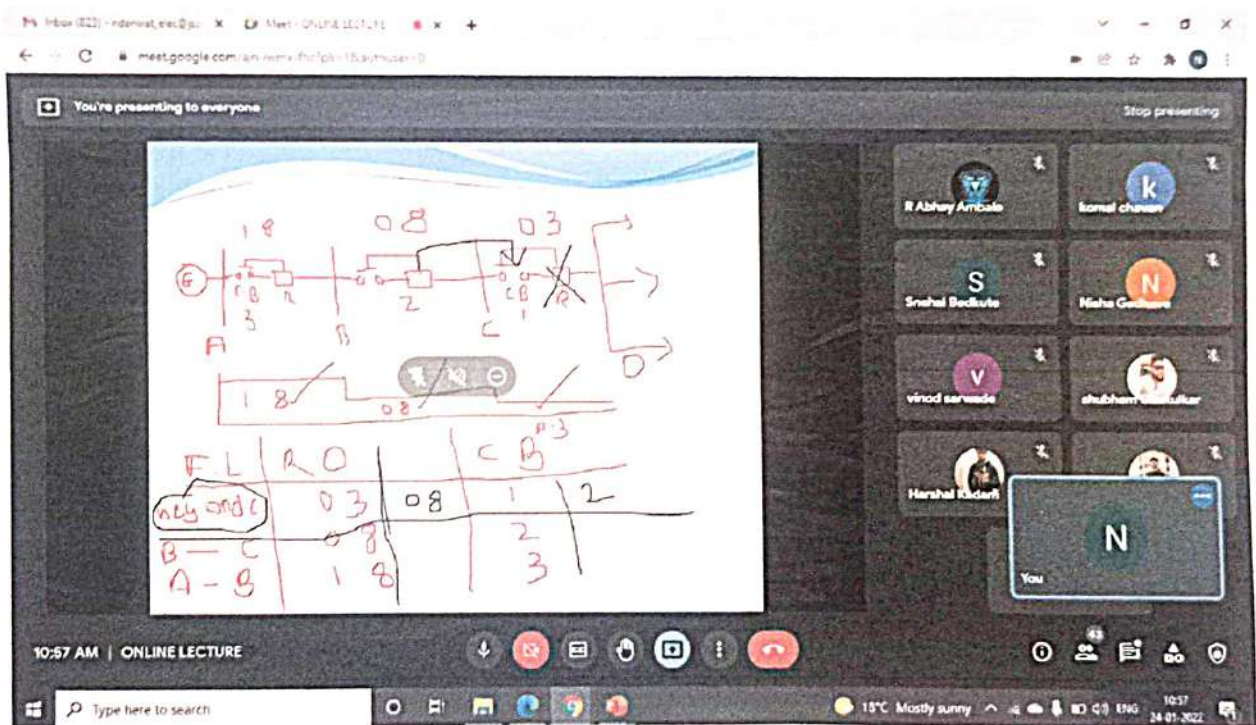

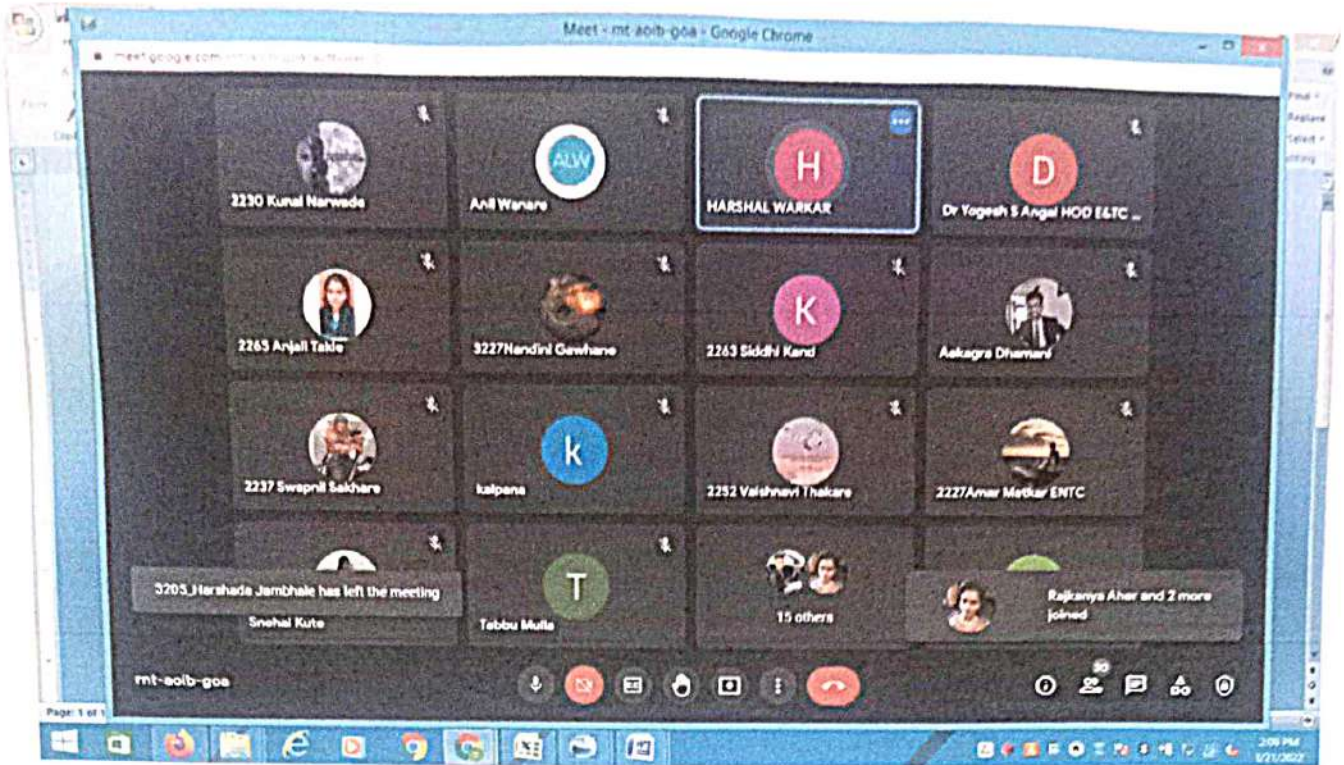

The resource person for the workshop was Mr. Prashant Bhogale ,Project Manager at Honeywell .The workshop was conducted for BE students and they enjoyed the automation through PLC & SCADA .This workshop also helps the student to enter in industry and improve their approach towards practical problems raised in the industry. The first session covered introduction to the techniques of automation and names of large scaled PLCs used in industries. The workshop proved to be fruitful enough for final year student who got to know about new techniques are that are actually practiced in industries.

Vision of Department

" Human resource development to meet growing industrial & social challenges "

Mission of Department

" To impart quality education and nurture aspirants to face the growing challenges and satisfy stakeholders "

Vision of Department

" Human resource development to meet growing industrial & social challenges "

Mission of Department

Head
 Dept. of Electrical Engineering
 ISRM's Shivajinagar, Sanjay Institute of
 Technology & Research
 Wagholi, Pune-412 207

JAYAWANT SHIKSHAN PRASARA MANDAL'S

Name of the Institute: BSIOTR

Campus Name: Wagholi Campus

PAYMENT VOUCHER

Date : 20 / 11 / 2020

V/N :

Rs. 30,000/-

Pay Mr. / Mrs. Prashant Bhogale

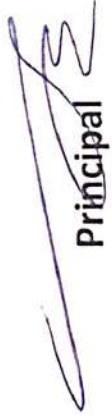

A sum of Rs. Thirty thousand rupees only.

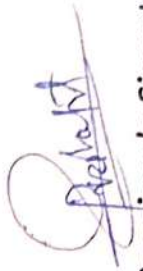

Being :- Workshop on PLC and SCADA Automation

And debit on _____ account. Received the sum of

Paid by cash / cheque on _____ Rs. 30,000/-

Bank_JMCCS _____ Cheque No. _____ Date. _____

Principal

Receiver's Signature

Accountant

Event Title: Soft skill

Organized by
FE(BSIOTR, Pune)

Guest lecture on Soft skill

Day and Date : 01/06/2022

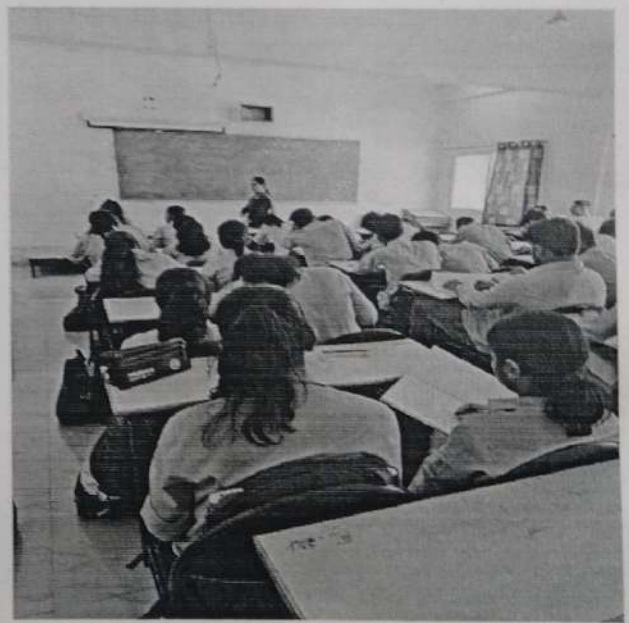

Venue : seminar hall FE Department

Time : 10:45 am to 12:45 pm.

The Program was started with felicitation of resource person Mrs. Radha Shirbhate by HOD Dr. Swati Godse. Initially Prof. Manjusha Patil gave brief introduction of guest speaker. After that Mrs. Radha Shirbhate delivered a seminar on "Soft skill". She motivated the students by giving daily life examples of soft skills in life. The programme was graced by the presence of HOD of F.E. Dr. Swati Godse as a chief guest, and all staff members of FE. The Guest Lecture was conducted at Seminar Hall FE department.

The programme ended with a vote of thanks on behalf of the Institute by Dr. Swati Godse. All students along with FE staff members attended this programme. HOD of F.E. congratulated faculty members of FE department and appreciated the efforts put by the staff members in organizing such a useful session. All faculty from FE Department worked hard for the success of the program. The event was coordinated by Prof. Manjusha Patil.

SEMINAR ON POWER OF HABITS 2021-22 REPORT

Seminar on Power of Habits was organized for the **Electrical Department Students in Seminar hall D1 building BSIOTR, Wagholi, Pune on 11th May 2022**. In the educational atmosphere event starts with Inauguration function conducted by Dr. N.N. Ghuge, H.O.D, Electrical Engineering Department along with the Staff of Electrical Engineering Department BSIOTR, Wagholi, Pune .

On 11th May 2022 seminar on Power of Habits was arranged at D1 building Seminar hall. The Seminar start at 11:00 am, seminar was completely organized for SE, TE, & BE students. The Seminar progressed with introduction of our Guest Speaker Mr. Amar Jain. Seminar was on Power of Habits and its tag line was 'We Make Habits... & Habits Make Us'. Mr. Amar Jain Started seminar with scenario of habits, Today's students have. He also explained influence of society on a child and how the child get molded. He interacted with the students, question them regarding their lifestyle. Mr. Amar Jain gives tips for happy and stress free life with indulging good habits within us. He's seminar include what is the futuristic aspect of our habit. He ended his seminar on saying that "Successful person is not the one who work hard, But is the one who work hard with good habits".

With the end of this enthusiastic and motivating seminar vote of thanks are given by EESA President Mr. Aditya Jagtap.

Vision of Department

" Human resource development to meet growing industrial & social challenges "

**A report on Two Days Workshop on "Python & Selenium"
on 15/04/2022 to 16/04/2022**

Objective	<ul style="list-style-type: none">• To Provide hands on training on "Python and Selenium"• To help students to apply the technology in their projects and to the real world.• To give awareness about recent trends in IT Industry and software testing(Selenium)
Date of Conduction	15 th April 2022 and 16 th April 2022
Workshop Coordinators	Prof. Amruta B. Kale and Prof. Amruta S. Dixit
Resource Persons	Mr. H.A.Warkar & Mr. Keshav Potdar from Vuclip Pvt. Ltd, Pune
Lab Assistants	Ms. Prajakta Lawande & Ms. Shivkanya Rasal
Student Coordinators	Mr. Santosh Prajapati and Mr. Amar Matkar
Students Participated	61 (from E&TC Dept.)

The workshop on "Python & Selenium" for S.E. & T.E. (E&TC) students was arranged on 15th & 16th April 2022. Workshop faculty Coordinators Prof. Amruta B. Kale and Prof. Amruta S. Dixit; Lab Assistants Ms. Prajakta Lawande & Ms. Shivkanya Rasal and Student Coordinators Mr. Santosh Prajapati (TE (E& TC)) and Amar Matkar (SE (E& TC)) took the initiative to accomplish this workshop successfully. Resource persons of this workshop were Mr. H.A.Warkar working as a Sr. Software Engineer & Mr. Keshav Potdar working as a QA Manager from Vuclip Pvt.Ltd, Pune. The E & TC department HoD Dr. Y. S. Angal and Principal Dr. T. K. Nagaraj encouraged students to actively participate in the workshop.

Inaugural Ceremony

We have started first day with an inaugural ceremony, inaugural address by Dr. Yogesh Angal, Head, Department of Electronics & Telecommunication and key note address by Prof. Sunita Phadkule Member, IQAC, JSPM Group of Institutes & Dr. T.K. Nagaraj, Principal were invited for inaugural function.

Dr. Y. S. Angal HOD (E&TC) felicitated Prof. Mrs. Sunita Phadkule, IQAC member of JSPM Group of Institutes.

Principal Dr T.K. Nagaraj, felicitated Resource Person Mr. Keshav Potdar

Principal Dr. T.K.Nagaraj, felicitated resource person Mr. H.A. Warkar

Welcome speech by Dr.Y.S.Angal (HoD of E & TC)

Importance of core branch and workshop explained by Prof. Sunita Phadkule

Principal Nagaraj sir motivated students to improve communication skill and participate in various workshops.

Details of Workshop

Day 1	Session I	Time-8.30 am to 10.30am
--------------	------------------	--------------------------------

Resource person elaborated the background and significance of Python and Selenium tools. Resource persons explained installation process of Python and Pycharm software. Also, they informed and installed different libraries required for the workshop. They helped the students who were facing difficulties in the installation of software.

Software Installation

Day 1	Session II	Time-10.45 am to 12.45 pm
--------------	-------------------	----------------------------------

In second session, the resource person delivered the details of fundamentals of Python, variables and data types in Python. Then he explained how to use software.

Students Interaction In Session

Day 1	Session III	Time-1.30 pm to 4.30 pm
--------------	--------------------	--------------------------------

In afternoon session, there was hands on session and in that following points were covered

- variables and data types in python
- Python operators
- Loops in Python
- File handling in Python

Hands on session by Resource Person Mr.H.A.Warkar

Day 2	Session I	Time-8.30 am to 10.30 am
--------------	------------------	---------------------------------

Hands on session

First session of second day was started with hands on automation testing with selenium and selenium Python with different browsers execution . Students installed Selenium libraries. Different browsers were opened & closed by using Python and selenium programming.

Day 2	Session II	Time-10.45 am to 12.45 pm
--------------	-------------------	----------------------------------

In second session there was hands on selenium Python automation on different platforms and different types of locators in webdriver. Speaker explained how to fill online registration form using selenium tool.

Resource Person Mr.Keshav Potdar Delivering lecture

Day 2	Session III	Time-1.30 to 4.30
--------------	--------------------	--------------------------

In the last session there was hands on automation of live e-commerce website with multiple scenarios. He conducted question and answer session. Understanding of students was evaluated by taking questionnaires . Then feedback of individual students was taken.

Certificate Distribution by HoD of E & TC Department Dr. Y. S. Angal & Resource person Mr. H.A.Warkar

Validictory Function

Workshop was ended with validictory function . Some students shared their experience of the workshop. Vote of thanks was given by Prof. Amruta Dixit .

Participants of workshop

Outcome of workshop:

On the completion of this workshop , tests was conducted based on contents covred in the Workshop. Students were able to give answers and they had given nice feedback about the workshop (Sample Feedback is enclosed).

Students were able:

- To Understand Python language and features of Python
- To learn Python installation and component explanation.
- To implement small problems using Python and Software testing using Selenium.
- To Explain Significance of Python and Selenium tools in real time applications
- To Develop Different IDE for Python and Installation/Setup of PyCharm
- To Apply the technology of Python and Selenium in projects and real world applications.

A.Y 2022-23 (SEM-I)

The Program was started with welcome speech by HOD Dr.Swati Godse. Initially Ms.Nilima Jagtap gave brief introduction about guest lecture Prof Surekha Dixit. She delivered lecture on importance of "Facts of Engineering education and life". The programme was graced by the presence of HOD of F.E Dr.Swati Godse as a chief guest, and all Staff members of FE. The lecture was conducted in Seminar Hall FE department.

The programme ended with vote of thanks on behalf of the Institute by Dr. Manjusha Patil . All students along with FE Staff members attended this programme. HOD of F.E. congratulated faculty members of FE department and appreciated the efforts put by the Staff members in organizing environment programmes.

EVENT REPORT

- 1 Name of the Event** Induction program
Guest Lecture on Communication Skill
- 2 Day & Date of the Event** Wednesday 16/11/2022.
- 3 Time of the Event** 1.15 pm to 2.15 pm
- 4 Venue of the Event** Building B3, Bhivarabai Sawant Sabhagraha.
- 5. Description**

On the third day of Induction at second half session guest lecture on Communication Skill was organized .Guest lecture conducted by Dr.Pravin Kachare Head of Mechanical Department.Sessionn was so interesting student enjoy session and also got importance of communication skill .Program was coordinated by senior student and under the Guidance of Prof Priyank Pandit.

Guest Lecture of Communication Skill

Dr Pravin Kachare Head of Mechanical Department.

EVENT REPORT

First Year Engineering Department

- 1 **Name of the Event** Induction program (SpeechCompetition)
- 2 **Day & Date of the Event** Wednesday 16/11/2022.
2.15 pm to 3.15 pm
- 3 **Time of the Event**
- 4 **Venue of the Event** Building B3, Bhivarabai Sawant Sabhagruha.
5. **Description**

On the third day of Induction program for First year Engineering students Speech Competition was organised. The main motive was to build confidence ,check knowledge .This event was conducted by student coordinator Mr. Shambhuraje Bhosale and his team ,under the guidance of Prof Poshetty and Dr Shrigan.

After successfully completing this event winners were announced. Sppeech competition winners were First Rank Prachi Janjire and Second Rank Rutika Dhotre.

“PERSONALITY DEVELOPMENT SESSION”

Sem –II, A.Y. - 2022-23

Name of The Event	Personality Development Session
Date	Div A- 09-06-2023 Div B- 10-06-2023 Div C- 12-06-2023 Div D- 13-06-2023 Div E- 14-06-2023 Div F- 15-06-2023
Mode	Offline
Organizer	Department of First Year Engineering Science, <i>Bhivarabai Sawant Institute of Technology & Research, Wagholi, Pune</i>
Guided By	Dr. T. K. Nagaraj (Principal, BSIOTR, Wagholi, Pune)
Event Coordinator	Prof. S.D. Bhourgunde (FE) Prof. K.D. Dagwal (FE)
Outcome	1.Improvement in Communication Skills 2.Improve learning skills 3.Dealing with Problems 4. Improve Presentation Skills
Aligned PO	PO8- Ethics PO9 - Individual and Team Work PO10-Communication PO12-Life-long Learning

First Year Engineering Department, BSIOTR organized PERSONALITY DEVELOPMENT Program for the FE students. The program was conducted by T.K. Nagaraj Sir division-wise as per notice. Sessions are conducted in to respective classrooms division-wise. In every session, the following points are discussed in all FE divisions.

- How to improve Communication Skills
- Physical and Psychological Development
- Elimination of Negative Energy and Attitude
- Manners and Presentation Skills
- Problem solving skills
- Importance of Self- confidence

Dr. T.K. Nagaraj Sir motivated all the students to improve English Language and Presentation skills by using of Reference books from the library, joining NPTEL courses. The session ended with the vote of thanks by the respective class in-charge on behalf of all the students. All the students along with the class in-charge attended the session.

SEMINAR ON CAREER PATH AND DIRECTION AFTER ENGINEERING 2022-23 REPORT

Seminar on Career Path & Direction after Engineering was organized for the Electrical Department Students in Seminar hall D1 building BSIOTR, Wagholi, Pune on 24th AUG 2022. In the educational atmosphere event starts with felicitation of our speaker Mr. Shubhash Pawar, by H.O.D, Electrical Engineering Department Dr. N.N. Ghuge.

On 24th Aug 2022 seminar on Career opportunities after Engineering was arranged at D1 building Seminar hall. The Seminar start at 11:00 am, seminar was completely organized for TE, & BE students. The Seminar progressed with Introduction of our Guest Speaker Mr. Shubhash Pawar mentor in unacademy and we also have Mr. Ketan Patil from Synergy Academy . Seminar was conducted on Career path and direction for Electrical Engineer's after completion of Engineering. Mr. Shubhash Pawar start the session with the question 'How to prepare? What to prepare? When to start preparing?'. He explain why one should go for competitive exam. He guided students regarding different post available in Government. Later, Mr. Ketan Patil take the charge on mic. Mr. Ketan Patil start with an Motivational example of Formula 1 Car, in that he explain about the power and prestige one get after winning formula 1 Race, similarly we get power and prestige in Government job. He explain students Why one should go for UPSC examination, what all benefits he received when get selected in UPSC

Vision of Department

DEPARTMENT OF ELECTRICAL ENGINEERING

SEMINAR ON CAREER OPPORTUNITIES AFTER ENGINEERING 2022-23 REPORT

Seminar on Career opportunities after Engineering was organized for the Electrical Department Students in Seminar hall D1 building BSIOTR, Wagholi, Pune on 09th AUG 2022. In the educational atmosphere event starts with felicitation of our speaker Mr. Aditya Srinivas Vangala by H.O.D, Electrical Engineering Department Dr. N.N. Ghuge.

On 09th Aug 2022 seminar on Career opportunities after Engineering was arranged at D1 building Seminar hall. The Seminar start at 11:00 am, seminar was completely organized for TE, & BE students. The Seminar progressed with Introduction of our Guest Speaker Mr. Aditya Srinivas Vangala. Seminar was conducted on Career Opportunities for Electrical Engineers after completion of Engineering. Mr. Aditya Vangala guided our students about GATE examination and subject for GATE exam. He bifurcate the marking system and how easily we can score more than cut-off marks.

Mr. Aditya Vangala emphasis on Government job which required GATE score in their recruitment process. He also gives a brief idea regarding recruitment process at BHEL, BARC, NPTCL, Reliance Power, Indian Railways and etc. Mr. Aditya Vangala discuss about IES, PSU, SSC examination, approach and study methods. He end the session with a round of question answers. Students clear their dough regarding selection of career.

Vision of Department

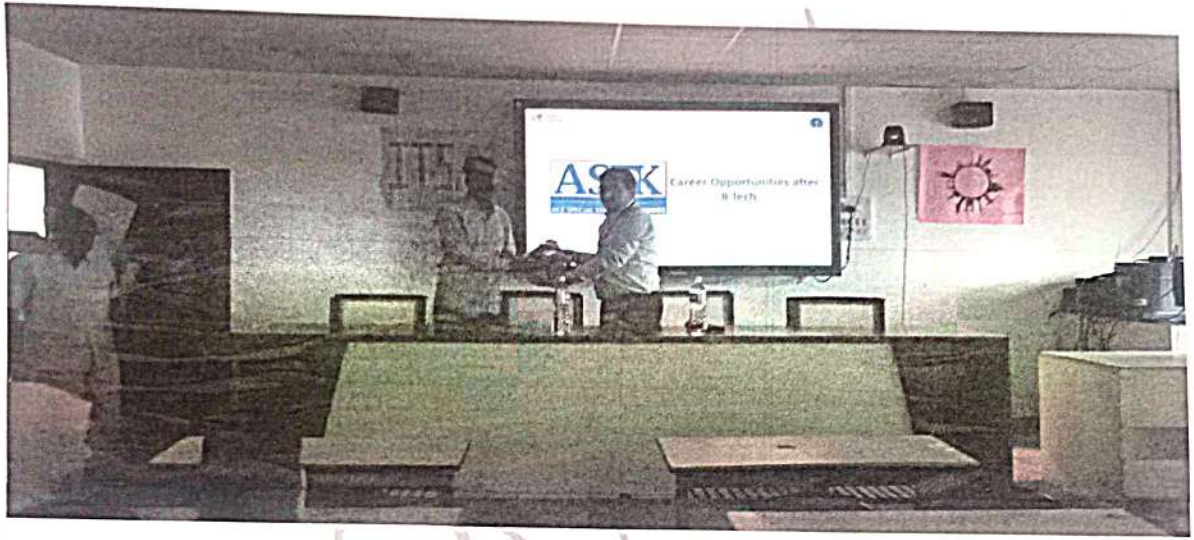

" Human resource development to meet growing industrial & social challenges "

Mission of Department

" To impart quality education and nurture aspirants to face the growing challenges and satisfy stakeholders "

With the end of this enthusiastic and motivating seminar vote of thanks are given by our T.E. Student Ms. Renuka .

GLIMPSES OF THE SEMINAR BASED ON CAREER OPPORTUNITIES AFTER ENGINEERING 2022-23 REPORT :-

Vision of Department

" Human resource development to meet growing industrial & social challenges "

Mission of Department

" To impart quality education and nurture aspirants to face the growing challenges and satisfiers "

DEPARTMENT OF ELECTRICAL ENGINEERING

GLOBAL TALENT TRACK 2022-23 REPORT

Global Talent Track (GTT) training was organized for the **Electrical Department Students** in **Electrical Department BSIOTR, Wagholi, Pune** under the activity of Training and Placement. This training was organized for SE students. The training was conducted from 5th September 2022 to 10th September 2022.

In the atmosphere of enthusiasm and learning event starts with Inauguration function conducted by T. K. Nagraj , Principal BSIOTR along with Dr. N. N Ghuge H.O.D, Electrical Engineering Department, Training and placement officer Mr. Ganesh Lohote and Training and placement co-ordinator Mrs. Jyoti Gole

This training program was conducted to enhance Aptitude and Soft Skills knowledge of SE students. In this training program , the students were taught about some good etiquette to be followed while attending interviews. The purpose of this training program was to assist the students in their placements by crafting captivating interpersonal skills, along with strong responses to both behavioral and technical interview questions. They focused on the communication skills so that students are able to crack the interview. This training would help students to set inspiring but realistic goals in their professional life.

Vision of Department

" Human resource development to meet growing industrial & social challenges "

Mission of Department

" To impart quality education and nurture aspirants to face the growing challenges and satisfy stakeholders "

DEPARTMENT OF ELECTRICAL ENGINEERING

SEVENTH SENSE TALENT SOLUTIONS 2022-23 REPORT

Seventh Sense Talent Solutions training was organized for the **Electrical Department Students in Electrical Department BSIOTR, Wagholi, Pune**. The training was conducted in two slots. The first slot for 2023 batch pass outs was from 24th September 2021 to 06th August 2022 and the second slot for 2024 batch pass outs was from 26th November 2021 to 30th April 2022. In the atmosphere of enthusiasm and learning event starts with Inauguration function conducted by T. K. Nagraj , Principal BSIOTR along with Dr. N. N Ghuge H.O.D, Electrical Engineering Department, TPO Mr. Ganesh Lohote and TPC Mrs. Jyoti Gole

In this training various topics were covered like aptitude preparation , logical reasoning ,concept of OOPS and its application in JAVA ,python programming , Stress management and presentation skills. The purpose of this training program was to assist the students in their placements by crafting captivating interpersonal skills, along with strong responses to both behavioral and technical interview questions. They focused on the communication skills so that students are able to crack the interview. This training would help students to set inspiring but realistic goals in their professional life.

Mr. S.
Arabai Sawant Institute of Technology & Research,
Mumbai - Pune

Subject: About Five days practical oriented workshop on core Electrical, Electronics & Arduino for TE
Electrical Engineering students.

Reference: With reference to above subject & verbal communication with Hod Prof. Dr. Ghuge.

Respected Sir,

In reference to the above subject matter, we conduct the 5 Days Practical oriented Work Shop
"Industrial Approach in Electrical, Electronics and Arduino Programming" for your students. We are
attaching here with a proposal including Workshop Content (Syllabus) & contract Note copy as beneath.

Workshop material provided to the students.

Support services from college.

Terms & Conditions.

You are requested to go through the same and contact us for any further clarification.

Regards,

Yours faithfully

Mr. Sanjay Chaudhari
Director
Electronics Study Centre

To Minimize the Gap between Education & Industry 5 Days Practical Oriented Work Shop for Engineering Students **Industrial Approach in Electrical, Electronics & Ardunio Programming**

Course Content- Topics covered during the Workshop-

Electronics Components Study :

- Identification** - Name, Symbol, Unit, Physical appearance, size, weight
- Testing using DMM**- Check working condition & compare with std. values, Possible faults with respective reading, Detect the faults.
- Working** - Function of component and its application
- Specifications** - Specifications, Available range, Safe limit use
- Availability** - Market, Name of the shops in city, district, Mumbai, Price in retail & Wholesale of various components, some are listed below..

1	Carbon Film Resistor (CFR)	21	LEDs assorted sizes & colors, Focus
2	Metal Film Resistor (MFR)	22	Zener Diode
3	Ceramic Resistor	23	Power diode
4	Wire Wound Resistor	24	Metal Diode
5	Tapped Wire Wound Resistor	25	Photo Diode
6	Presets all types, vert, Hori. Small, big	26	Photo Transistor
7	Multiturn preset	27	BJT Transistors NPN, PNP, UJT, FET,
8	Potentiometers Liner & Log	28	Power Transistor
9	LDR all sizes & packages	29	SCR
10	Thermistor NTC, PTC diff. shapes	30	Diac
11	Ceramic Capacitor	31	Triac
12	Paper Capacitor	32	MOSFET
13	Polyester capacitor	33	Relay, assorted shapes & sizes
14	Mica Capacitor	34	Solid State Relay, SCS
15	Tantalum capacitor	35	Inductor
16	Electrolytic capacitor	36	Intermediate Frequency Transformer
17	Semivariable Capacitor Trimmer	37	Transformers assorted, Megar Test
18	Variable Capacitor Gang Capacitor	38	Loud Speaker
19	General Purpose Diode	39	IC- Analog, Digital PROM EPROM Regulator
20	Signal Diode	40	Fuse & Connectors

Website- www.esameworkshop.in email - eseelectronics@gmail.com

Project Construction-

- B** -Different types, PCB Designing manually, as well as by software using PC, painting etching, drilling.
- Identification of Soldering Aids-** Soldering Iron ratings, Solder metal proportions, flux, acid their use.
- Circuit Assembly-** Soldering skill tips- use of proper soldering Iron, Metal, Flux, Cleaning, Tinning etc.
- Soldering** -Use of proper metals, Soldering Iron, Proper required time to solder. PCB circuit study, Components lead cleaning, placement of proper component in right polarity, Soldering skill tips, lead cutting aftersoldering.
- Connections** -Power +ve, -ve, Ground, -Input-Output using std. color code wires.
- Desoldering** - Desolder pump, Desolder wire & their practice. How to remove (Desolder) components.
- Project** -Assembly of few simple project, their connection & testing, **Representation of project to get easy demonstration for user.**

ELECTRONICS STUDY CENTRE

email - escelectronics@gmail.com
Website- www.escworkshop.in

Date: 19/05/2023

-: Contract Note for the Workshop :-

⇒ Workshop material provided to the participants permantly-

- 1) A Manual of Electronic Components
- 2) PAN card size magnifying glass to read the IC NO. and component values
- 3) Mini project kit for a group of 4 students
- 4) Participant certificate with color printed photo and name.

⇒ Workshop material provided to the participants for 3 days practice-

- 1) DMM for a group of 2 students.
 - 2) All types of components for Identification & testing till understanding
 - 3) Demonstration of each component to verify its working
 - 4) Different types of copper clad, PCB's and many assembled circuit board
 - 5) Soldering Iron, metal, cutter, stripper, flexible wires, battery, extension board for practice.
- 100% fees shall be refunded if students claims unsatisfaction from the workshop

⇒ StudentsBenefit :

- ✓ Improvement in Component Identification knowledge
- ✓ Knowledge about Testing of working and faulty Components
- ✓ Awareness about circuit and PCB designing
- ✓ Clean and skillful soldering technique capability
- ✓ Improve capability to undertake various projects
- ✓ Capability to select the component as per requirement for various application
- ✓ Develops Interest about Electronics Circuits and Projects
- ✓ Improves self confidence in Practical Electronics
- ✓ Helpful in core Industry placement.
- ✓ Confidence to secure job in core Industries / Laboratories.
- ✓ Certificate of honor after successful completion of workshop

⇒ Required support Services from the college:

- 1) Classroom/ Hall
- 2) Stay facility for 4 Persons (Guest House / Hostel)

⇒ Terms & Conditions of Workshop :

- 1) 80 students will be admitted in a batch.
- 2) Latest Color PP size photo is essential for workshop registration.
- 3) Registration fees for WorkshopRs. 2500/- per student in advance by Cash or A/C payee cheque in favor of "Electronics Study Centre"

Aurdino Programming

Course Content- Topicscovered during the Workshop-

Introduction about Hardware, software its necessity with each other.

Diff. Types of Aurdino boards (Pro mini, Nano, Uno, Mega, lieo nardo, etc), their introduction, scope, limitation, comparision with each other and microcontroller

Aurdino Software Installation in each Laptop.

Aurdino board connectivity with ESC std Aurdino development board, to laptop, Identification of input output ports VCC, ground

Classification of Input / Output,, Analog/ Digital devices

Introduction to Aurdino Library, its instructions

Interfacing LED, Switch as

- | | |
|--------------------------|---------------------------|
| 1) LED ONOFF with delay | 2) LED ON by switch |
| 3) LED ON/ OFF by switch | 4) LED ON with delay |
| 5) LED OFF with delay | 6) Buzzer ON by switch |
| 7) Buzz OFF by switch | 8) Buzz On/OFF with delay |
| 9) Relay On by switch | 10) Relay OFF by a switch |

Reading Analog value from any sensor

11) POT, LDR/ Thermistor, and its typical application.

12) soil moisture sensor and its typical application.

Enable serial communicationusing Aurdino

13) Interfacing 16/2 LCD display and its two different program to display particular word for particular time

14) IR sensor and its program

15) GSM module and its program to send message in bulk on particular Nos

ELECTRONICS STUDY CENTRE

An ISO 9001:2008 Certified

402, 'Olive Arcade, besides Metro Moll, Tapowan link road,
Station Road, Nasik Road. 9370940465, 7304040465, 9890940465
Website- www.escworkshop.in email - escelectronics@gmail.com

Date: 04/07/2023

-: Contract Note for the Aurdino Workshop :-

⇒ Workshop material provided to group of 4 students only for practise-

- 1) Aurdino uno board for programming & practice only.
- 2) ESC standard Hardware development board suitable to interface devices
- 3) Series Test Lamp with lamp as a Load

⇒ StudentsBenefit :

- ✓ Familiarization about Aurdino and other Microcontrollers
- ✓ Knowledge about scope and limitation of different Microcontrollers
- ✓ Expertise in Aurdino Programming for different Tasks.
- ✓ Improve capability to undertake various projects
- ✓ Capability to select the aurdino as per requirement for various application
- ✓ Develops Interest about Aurdino to construct Electronics Circuits and Projects
- ✓ Improves self confidence in Practical Electronics
- ✓ Confidence to secure job in electronics Industries / Laboratories
- ✓ Certificate of honor after successful completion of workshop

⇒ Required support Services from the college:

- 1) Laptop for 4:1 student
- 2) PD for backup or transfer data and software.
- 3) Stay facility for 4 persons Guest hose or hostel.

Fee Structure for Work Shop-

Sr. No.	Course	Duration of course No. of days	Fees for each student Rs	No of students in one batch
1	Industrial Approach in Electrical, Electronics & Ardunio Programming	5	2500/-	80

Workshop Agenda-

Day	Time	Program	Topic
1	9.30am To 10 am	Registration	Latest Color PP size photo required
	10 am To 1 pm	Morning session	Component Identification & Testing Practice
	1 pm To 2 pm	Lunch Break	-----
	2 pm To 5 pm	Evening Session	Component Identification & Testing Practice
2	9 am To 1pm	Morning session	Component Identification & Testing Practice
	1 pm To 2 pm	Lunch Break	-----
	2pm To 5 pm	Evening Session	PCB study types - Designing Art work etching Assembling, Soldering, desoldering Tips, Technique, Practice
3	9 am To 1pm	Morning session	Project Construction & Testing
	1 pm To 2 pm	Lunch Break	-----
	2pm To 5 pm	Evening Session	Discussion, Feedback

Day	Time	Program	Topic
4	10 am To 1 pm	Morning session	Introduction about Hardware, software its necessity with each other. Diff. Types of Aurdino boards (Pro mini, Nano, Uno, Mega, lieo nardo, etc), their introduction, scope, limitation, comparision with each other and microcontroller Aurdino Software Installation in each Laptop.
	1 pm To 2 pm	Lunch Break	-----
	2 pm To 4 pm	Evening Session	Aurdino board connectivity with ESC std Aurdino development board, to laptop, Identification of input output ports VCC, ground Classification of Input / Output,, Analog/ Digital dcives Introduction to Aurdino Library, its instructions Interfacing LED, Switch as 1) LED ONOFF with delay 2) LED ON by switch 3) LED ON/ OFF by switch 4) LED ON with delay 5) LED OFF with delay 6) Buzzer ON by switch 7) Buzz OFF by switch 8) Buzz On/OFF with delay 9) Relay On by switch 10) Relay OFF by a switch
5	9 am To 1pm	Morning session	Reading Analog value from any sensor 11) POT,LDR/ Thermistor, and its typical application. 12) soil moisture sensor and its typical application. Enable serial communication using Aurdino 13) Interfacing 16/2 LCD display and its two different program to display particular word for particular time 14) IR sensor and its program
	1 pm To 2 pm	Lunch Break	-----
	2pm To 3 pm	Evening Session	15) GSM module and its program to send message in bulk on particular Nos.
	4pm to 4,45pm		Students Feedback and reviuue

100% fees shall be refunded if students claim unsatisfaction from the workshop

Participant's Feedback Form

1) How do you come to know about this workshop:—Institute/Teacher/ Ex Participant/ Pamphlet/

any other please specify _____

2) Had you previous knowledge about components information before to continue this workshop:- Yes / No

3) Improvement in Information Knowledge after completing this workshop:- Yes

a) Identification-Satisfied / Good / Excellent

b) Testing-Satisfied / Good / Excellent

c) Possible fault-Satisfied / Good / Excellent

d) Ratings-Satisfied / Good / Excellent

e) Other specification-Satisfied / Good / Excellent

f) Function/ Application- Satisfied / Good / Excellent

4) Whether satisfied with –

a) Workshop material-Satisfied / Good / Excellent

b) Demo Models- Good/Better/Excellent

c) Practice-Satisfied / Good / Excellent

d) Teaching method-Satisfied / Good / Excellent

5) Improvement in Technical Skill-

a) Soldering - Satisfied / Good / Excellent

b) PCB-Satisfied / Good / Excellent

c) Use of Tools-Satisfied / Good / Excellent

6) What do you feel about this workshop

It is a very excellent workshop arranged by Mr. Chaudhari sir, so thank you.

7) Any suggestion to improve this workshop

I suggest that the next workshop conduct about the knowledge of large electrical component ex: Transformer, Inductor, series motor

8) Would you like to suggest to your friends & persons in concern field about this workshop- Yes / No

9) Would you like to participate Winter Internship Training at Nasik Yes / No

Mock Interviews Report

The Mock Interviews have been conducted for B.E. Information Technology students on 27 August 2022. Around 33 students participated in the Mock Interviews. All participating students have gained knowledge about the interview selection process for upcoming drives in the Institute (In-Campus and Off-Campus).

During Mock Interviews following Experts were HR/Technical interviewers:

Sr. No.	Name	Experts
1	Ms. Dipali Upadhye	HR
2	Mr. Rahul Jawale	Technical
3	Mr. Panchashil Wankhede	Technical

We are sure that these Mock Interviews will definitely help students to improve their interview performance. Also, it can help a job applicant to understand what is expected in a real job interview and can help an applicant improve his or her self-presentation.

Report of Guest Lecture on Networking & Cyber Security

Objective	Students should get the information about Career in Networking and Cyber Security.
Date of Conduction	11 / 11 / 2022
Resource Person	Mr. Maghadeo Gode, Central Manager and Mr. Imran Pathan, Regional Head.
Coordinator	Dr. Y. S. Angal / Prof. N. A. Mohota
Participants	TE-58, BE-47
Venue	E&TC Dept. (203)
Outcome	Students have got the knowledge: <ol style="list-style-type: none"> 1) About the different networking platforms that the students can make their career into. 2) About the global certifications that students can acquire and enhance their career. 3) On how they can build a career in cyber security.

A guest lecture was arranged on "Networking & Cyber Security", by Institute of Advanced Network Technology for the students of TE and BE, for which the speaker was Mr. Mahadeo Gode, Central Manager and Mr. Imran Pathan, Regional Head. The session started with the introductory and welcome speech by Dr. Y. S. Angal, Head of Department. He explained the students about the importance of Networking, Automation and Cyber Security by giving different examples.

Mr. Gode in his deliverables had spoken about as, Networking has become one of the most attractive career profiles among candidates. From the basics of Routing, Switching, Network Security, Software Defined Networking to Cloud Networking, networking domain

advancements are beyond one's imagination. The Best Networking courses that can provide conceptual knowledge and develop the hands-on skills required to build, maintain, operate, and troubleshoot the network. He has explained and briefed the students about the top 10 Networking technologies that a student can have to build a career, which can help them to be a Certified Network Professional and achieve success in their career.

Top 10+ Networking Courses/Certifications:

- Cisco CCNA 200-301
- Cisco CCNP Enterprise-ENARSI
- Cisco SD-WAN Solutions (300-415 ENSDWI)
- CCNP Security
- Certified Ethical Hacker (CEHv11)
- CompTIA Network+
- Cisco DevNet Associate
- Cisco CCIE Security
- Cisco CCIE Enterprise Infrastructure
- Checkpoint CCSA
- Checkpoint CCSE
- Palo Alto Networks (PCNSE)
- Certified Penetration Testing Professional (CPENT)
- AWS Solutions Architect Associate

Prof. Nilesh A. Mohota Training and Placement coordinator, coordinated the event and concluded with vote of thanks.

Department Of Electronics & Telecommunication Engineering

A report on Online Two day Workshop on “EMBEDED SYSTEMS” dated November 19th -20th , 2022.

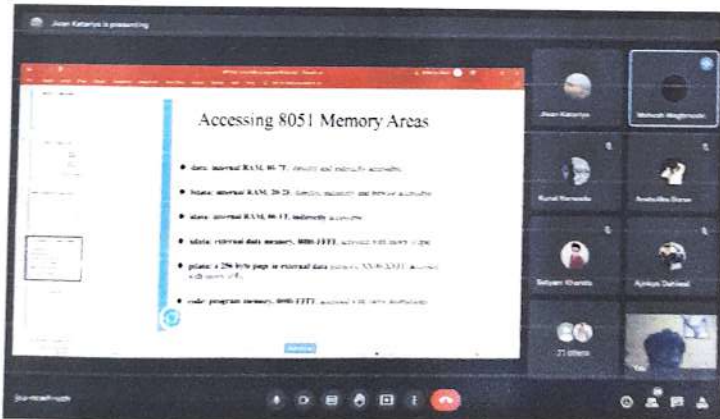

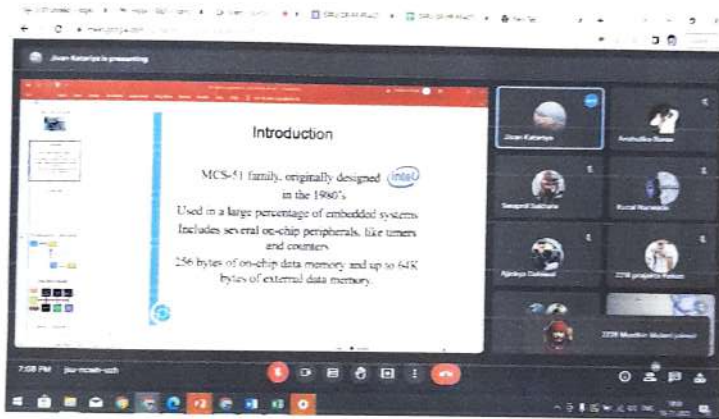

Objective	<ul style="list-style-type: none">• To provide students basic knowledge of Embedded Systems.• To help students to apply the technology in their projects and to the real world.• To give awareness about recent trends in Embedded Systems.
Date of Conduction	19 th and 20 th November 2022
Workshop Coordinators	Dr. Y. S. Angal , Prof. N. A. Mohota and Prof. Sneha Dehere
Resource Persons	Mr. Jeevan Katariya, Mr. Shivaji Patil
Student Coordinators	Mr. Mahesh Waghmode
Students Participated	43
Outcome	<p>Students have learnt about the</p> <ul style="list-style-type: none">• Basics of different controllers like 8051, PIC, ARM7.• Basics of Embedded C.• Interfacing of different devices with 8051.• Simulation using Keil.• Team Management.

The two day online workshop on “EMBEDED SYSTEMS” was organized for the students of T.E. (E&TC) students on 19th & 20th November 2022. Workshop faculty Coordinators **Dr. Y. S. Angal** and Prof. Nilesh A. Mohota; and Student Coordinators Mr. Mahesh Waghmode (TE (E&TC)) took the initiative to accomplish the workshop successfully. Resource persons of this workshop were Mr. Jeevan Katariya and Mr. Shivaji Patil working as a Sr. Design Engineer at SPJ Systems Pvt. Ltd., Pune. The E & TC Department **HOD Dr. Y. S. Angal** encouraged students to actively participate in the workshop so that they can make different types of projects and involved in life long learning.

Inaugural Ceremony

Dr. Yogesh Angal, Head, Department of Electronics & Telecommunication welcome the Guest and shared the importance of EMBEDDED SYSTEM.

Resource person elaborated the background and significance of Embedded System. Mr. Katariya explained the different controllers with block diagram and given the comparison. He also asked the students to go through the different data sheets. He also explained the students to interface different peripherals with 8051 on Keil and briefed the student on Embedded C. Mr. Shivraj took the practical session and explained them different concept of 8051.

Jivan Katariya is presenting

Memory Organization

Data Memory is 128 byte
 128 byte is Divided
 Of which there are
 Of general purpose
 16 bank bank each
 Bank 0
 We can switch the
 bank using the
 register
 128 byte is called RAM
 (It is used for SFRs)

128 x 8 BIT
 BANK (16) (128) (RAM)
 128 x 8 BIT
 BANK (16) (128) (RAM)
 128 x 8 BIT
 BANK (16) (128) (RAM)

7:14 PM | jsu-nwsh-uzh

Jivan Katariya is presenting

Accessing 8051 Memory Areas

- Access Internal RAM, 00-7F, directly and indirectly accessible
- Access Internal RAM, 80-FF, directly, indirectly and having access bit
- Access External RAM, 0000-FFFF, indirectly accessible
- Access External Data memory, 0000-FFFF, accessed in memory address
- Access External Data memory, A500-A5FF, accessed with memory address
- Access program memory, 0000-FFFF, accessed with memory address

7:19 PM | jsu-nwsh-uzh

Jivan Katariya is presenting

Port Structure

The 8051 contains four I/O ports

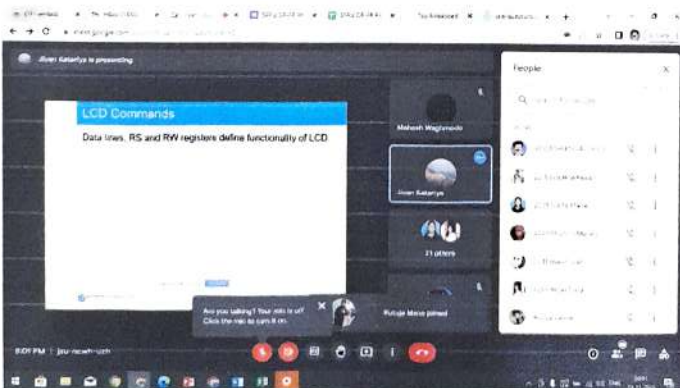

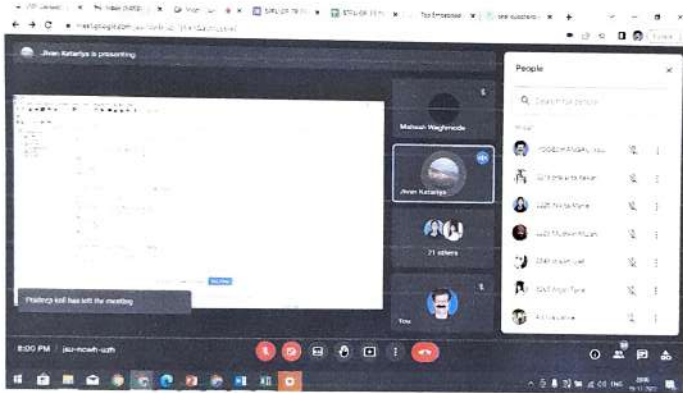

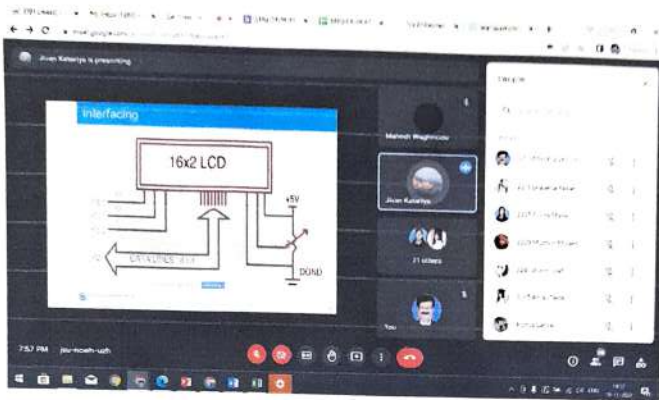

All four ports are bidirectional

Each port has SFR (Special Function Register) P0 through P3 which works like a latch, an output driver and an input buffer

Both output driver and input buffer of Port 0 and output driver of Port 2 are used for accessing external memory

In-cell messages

7:29 PM | jsu-nwsh-uzh

Validictory Function

Workshop was ended with validictory function . Some students shared their experience about the workshop. Vote of thanks was given by Prof. Nilesh A. Mohota.

The Induction program for First year Engineering students were conducted from 21/08/2023 to 25/08/2023. On the first day of Induction Program inauguration ceremony was conducted.

The pre program activities like Rangoli making was done by student co ordinator with the help of Mrs Shanthikumari and Mrs Dakshita Jain at both venue. Registration of students was done under the guidance of Mrs Dixit S, and Mrs Poonam Kumavat mam by the student coordinators.

The actual inauguration ceremony is took place simultaniouly at two venues one is Jaywant Sabhagruh for IT and Coputer students and parents.and other at BSIOTR Second Floor VC Room 311 for ETC,Electrical,Mechanical students.Inaugral Function started at 10.30 am in presence of respective chairperson followed by the Sarswati Pujan. After sarswati puja all First Year Engineering students were welcomed and guided by Respected Principal Dr. T.K.Nagaraj at Jaywant Sabhgruh and Simultaneously At IT seminar hall ,BSIOTR all students welcomed and guided by Dr H.D.Patil . The students were guided by the valuable
