DEPARTMENT OF ELECTRICAL ENGINEERING  
Report of Expert Lecture**

**Title:** The Preparation for Competitive Exams

**Expert:** Mr. Vibhav Srivastava

**Date:** 24<sup>th</sup> January 2019

**Venue:** Seminar Hall, Electrical Engineering Department at BSIOTR, Wagholi

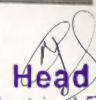

**Details of Participants:** 6<sup>th</sup> and 8<sup>th</sup> semester Electrical Engineering students .

A Guest Lecture by Mr. Vibhav Srivastava on "The Preparation for Competitive Exams" was delivered on January 24<sup>th</sup>, 2019 for TE & BE students. The speaker chose to emphasize on two main components of Competitive exams in the country namely the Union Public Service Commission (UPSC) and the Maharashtra state Public Service Commission (MPSC). The speaker served as a ray of optimism for the students by ushering in the success stories of two IAS officers. Followed by the bouts of motivation, the speaker threw light on the Union Public Service Commission (UPSC) and stressed on the intricacies of it, such as the Qualifications, Number of Attempts, Reservations, Cut-off marks and the total number of services which comes under it. He also elaborately discussed on the Exam Cycle which takes an entire year to complete. He made the inquisitive students learn how to apply for the exam. He passed on a list of sources to refer for preparation to the staff members from whom the students could collect. The students listened vividly when he explained the marking system for the exam. He instructed the students to follow the three R's- Read, Revise, Recollect, required to succeed in the exams. He wanted the students to stick to the basics and be consistent in whatever endeavor they undertook. He preached the importance of having Conceptual Clarity to the listeners. He maintained that the Blue Print Approach was necessary to gauge the mindset of the question paper setters. He explained in detail the Preliminary, Mains and Interview part of the examinations. Overall, the Lecture was highly Informative and Educative to the aspiring and ever-enthusiastic students of the department. The speaker made it clear that the main objectives

of the exams were to unearth rough diamonds of the country to carry out the tedious Bureaucratic Business of the land. The exams, in his words, were meant not only to the elite sections of the society but to everyone in the country. He finally concluded by stating that the exams were tough but not impossible to crack. This lecture was followed by an interactive session with the speaker. The Highly motivated students raised a variety of questions to the speaker to which he answered with unwavering enthusiasm. Overall, the speaker was extremely happy with the response made by the students. The Vote of Thanks was delivered by prof. Pallavi kadam.

THANKS LETTER

To,  
Mr. Vibhav Srivastava  
Respected Sir,

On Behalf of Electrical Engineering Department, we feel obliged for speaking recently to our department on "The preparation for competitive exam". Your Presentation was admirable and added value to everyone. We all are thankful for sharing your precious time and expertise with us.

Sincerely

  
Dr. N. N. Ghuge

<b>Venue</b>	E&TC Dept. BSIOTR

The Department of Electronics and Telecommunication Engineering has organized expert lecture on "Opportunities of Computer Networking". This lecture is conducted by Mr. Achalprakash Chaudhari (Alumnus-2018 Batch) and he is presently working in Bajaj India Pvt. Ltd. Pune. The session was start with welcome speech of Dr. Y.S.Angal (HOD, E&TC) and the vote of thanks given by Prof. D.D.Khairnar.

Today, networking is in high demand and is one of the most high-paying fields within the IT industry. The scope of duties of networking engineers can vary greatly, the main role being that of a network admin, conducting operation and maintenance of the entire infrastructure of connected devices.

Mr. Achalprakash explained the following points during the session:

1. Basics of networking
2. Networking as Career
3. Demand of networking
4. Worthy Challenges
5. Network Boom
6. Job Titles
7. Skills Education and Experience

**Outcome:** Total 40 students were present and they will possess the awareness about the opportunities of computer networking and necessary skills to begin their career in computer networking.

The Department of Electronics and Telecommunication Engineering has organized expert lecture on "Overall development of students for industry requirements". The session was conducted by Mr. Dhiraj Shelke (Alumnus-2018 batch), he is presently working in Denlov In Bangalore. The session was start with welcome speech of Dr. Y.S.Angal (HOD, E&TC) and the vote of thanks given by Prof. D.D.Khairnar.

The guest lecture was conducted to provide the students with an insight of global exposure and understanding of various key concepts like Dedication, Self-confidence, Leadership skills, Positive attitude, Discipline, Enthusiasm, Hard work and the importance of communication in every sphere of our life. He explained the importance of having good leadership skills among students and conducted various activities in groups to explain the same. Effective communication is an important life skill that enables the students to connect with the people around them. Students got to know the importance of communication in the professional world. He suggested the ways to increase self-confidence and also develop communication skills by doing meditation and participating in different activities which will help to remove the stage fear. The lecture was interesting and gave all the students a great opportunity to learn many things in regards to developing a creative mindset, speaking fluent English and focusing on the future.

**Outcome:** Total 35 students were present and they will possess the necessary skills to begin their career after developing the required skills by electronics industries which benefit them, the employer and even the college.

**Report of Expert Lecture**

**Title:** How to crack civil Service Examination

**Expert:** Mr. Karthik kotturu

**Date:** 19<sup>th</sup> September 2019

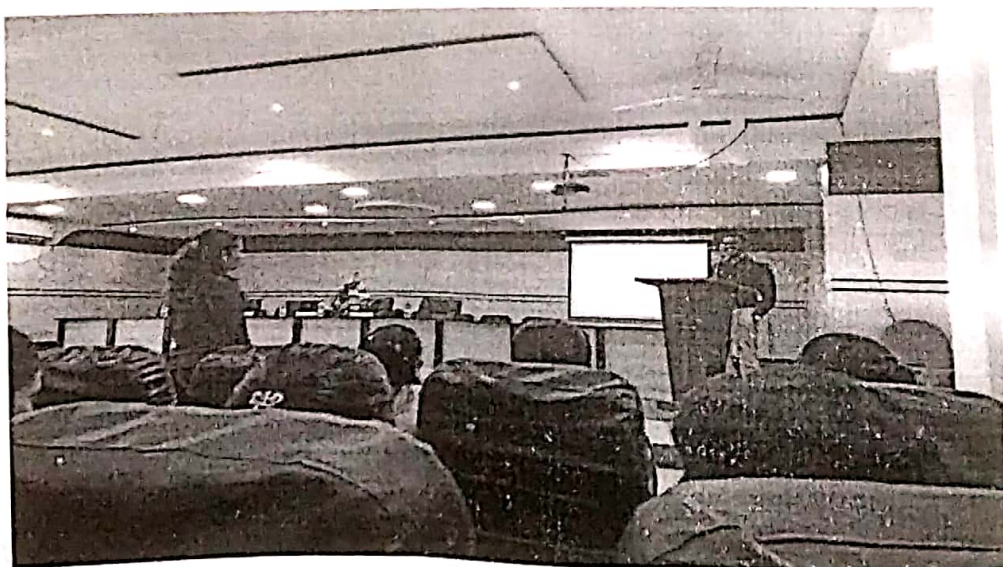

**Venue:** ENTC Seminar Hall, BSIOTR, Wagholi

**Details of Participants:** 3<sup>rd</sup>, 5<sup>th</sup> and 7<sup>th</sup> semester Electrical Engineering students .

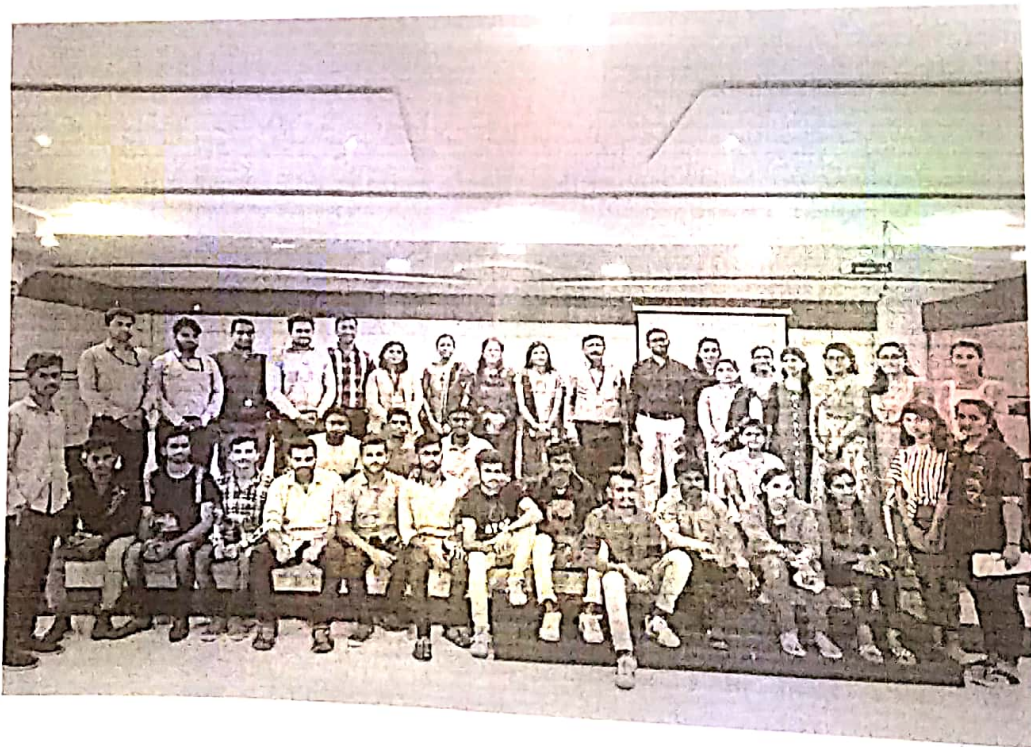

A Guest Lecture by Mr. Karthik kotturu on "How to crack civil Service Examination" was delivered on September 19<sup>th</sup>, 2019 for SE, TE & BE students. Karthik completed his B.tech from IIT Roorkee in Electrical Engineering in 2015. He cleared UPSC CSE exam in 2017 with AIR 529 and got IRPS as service. He later cleared Engineering service exam with AIR 5. He is currently a probationer in Indian Railways. Mr. Karthik Kotturu is felicitated by Dr.T.K. Nagraj, Principal BSIOTR. The speaker chose to emphasize on main components of Competitive exams in the country namely the Union Public Service Commission (UPSC). Followed by the bouts of motivation, the speaker threw light on the Union Public Service Commission (UPSC) and stressed on the intricacies of it, such as the Qualifications, Number of Attempts, Reservations, Cut-off marks and the total number of services which comes under it. He also elaborately discussed on the Exam Cycle which takes an entire year to complete. He made the inquisitive students learn how to apply for the exam. He passed on a list of sources to refer for preparation to the staff members from whom the students could collect .The students listened vividly when he explained the marking system for the exam. He gave the message of not succumbing to unnecessary pressure and preparing for success and not for just getting a job.He instructed the students to follow the three R's- Read, Revise, Recollect, required to succeed in the exams. He wanted the students to stick to the basics and be consistent in whatever endeavor they undertook. He explained in detail the Preliminary, Mains and Interview part of the examinations. Overall, the Lecture was highly Informative and Educative to the aspiring and ever-enthusiastic students

of the department. The speaker made it clear that the main objectives of the exams were to unearth rough diamonds of the country to carry out the tedious Bureaucratic Business of the land. The exams, in his words, were meant not only to the elite sections of the society but to everyone in the country. He finally concluded by stating that the exams were tough but not impossible to crack. This lecture was followed by an interactive session with the speaker. The Highly motivated students raised a variety of questions to the speaker to which he answered with unwavering enthusiasm. Overall, the speaker was extremely happy with the response made by the students. The Vote of Thanks was delivered by prof. Ganesh Lohote.

**Subject: Thanking for conduction of guest lecture**

Respected Sir,

With reference to above mentioned subject we thank you for conducting a guest lecture on How to crack civil service examination in electrical engineering department of JSPM'S BSIOTR , Wagholi on 19/9/2019.

The guest lecture was immensely helpful to the students

Thanking you

## Speaker Evaluation

Title of Presentation: How to crack Civil service Exam

Name of Speaker: Mr. katlik kotturu

*Use the following key to rate the speaker on the statements below*

A) Totally Agree	B) Agree	C) Somewhat	D) Disagree	E) Totally Disagree
1. The speaker imparted very useful content				A
2. Can you recommend the speaker to a colleague?				A
3. How can you rank your experience with the speaker?				A
4. The presentation skills of the speaker were engaging				A
5. The speaker nurtured good relations with the audience and was able to handle individual need well				A
6. The handouts were handy and will be used for reference				A
7. The audio/visual were of good quality				A
8. Would recommend the speaker for the next session?				A
9. What would you like to see the speaker do differently to make his/her presentation better?				A
a) Communication	11) Understanding of Content		c) Time management	

What overall grade do you give the speaker on this specific seminar/ meeting?

## Speaker Evaluation

**Report of Expert Lecture**

**Title:** The preparation for competitive exams

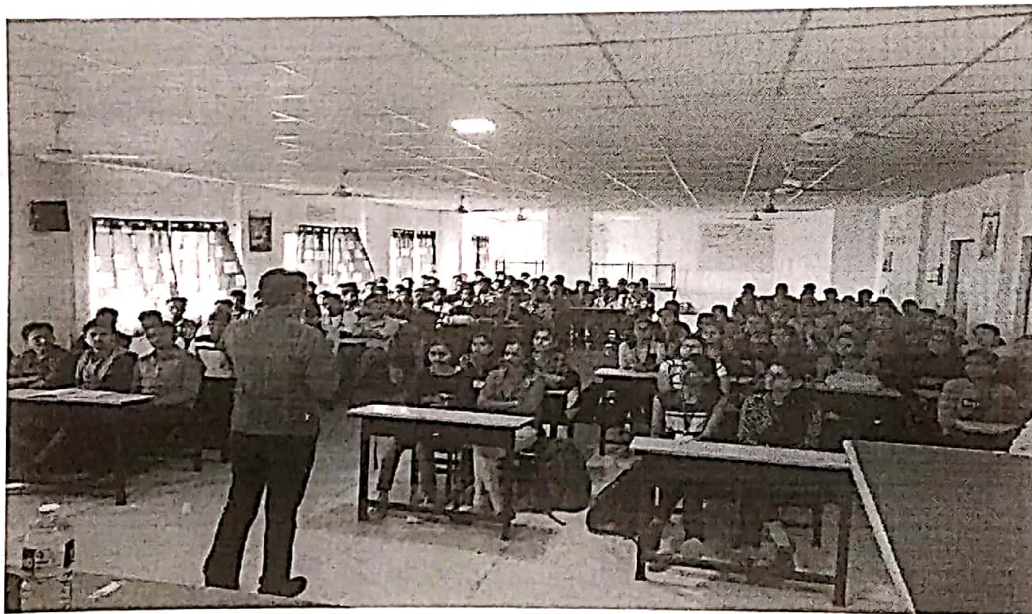

**Expert:** Vaibhav Srivastava

**Date:** 12/02/2020

**Venue:** Seminar Hall, Electrical Engineering Department at BSIOTR Wagholi.

**Details of Participants:** 6<sup>th</sup> and 8<sup>th</sup> semester Electrical Engineering students.

A guest Lecture by Mr. Vibhav Srivastava on "The preparation for Competitive Exam" was delivered on 12/02/2020 for TE & BE students. The Speaker chose to emphasize on two main components of competitive exams in the country namely the Union Public Service Commission (UPSC) and the Maharashtra state Public Service Commission (MPSC). The speaker Served as a ray of optimism for the students by sharing in the success stories of two IAS officers. Followed by the bouts of motivation, the speaker threw light on the Union Public Service Commission (UPSC) and stressed on the intricacies of it, such as the Qualifications, Number of Attempts, Reservations, cut-off marks and the total number of services which comes under it. He also elaborately discussed on the exam cycle which takes an entire year to complete. He made the inquisitive students learn how to apply for the exam. He passed on a list of sources to refer for preparation to the staff members from whom the students could collect. The students listed vividly when he explained the marking system for the exam. He passed on a list of sources to refer for preparation to the staff members from whom the students could collect. He explained in detail the preliminary, mains and interview part of the examinations. Overall the lecture was highly informative and educative to the aspiring and even-enthusiastic students of the department.

## THANKS LETTER

To,

Mr. Vaibhav Srivastava

Respected Sir,

On Behalf of Electrical Engineering Department, we feel obliged for speaking recently to our department on "The preparation for competitive exam". Your Presentation was admirable and added value to everyone. We all are thankful for sharing your precious time and expertise with us.

Yours Sincerely,

Dr. N. N. Ghuge

Date:-23/09/2019.

### NOTICE

This is to inform all the students of TE and BE that, Seminar on "Trending Technologies and Job Opportunities in IT" is scheduled on 24<sup>th</sup> Sep 2019 at 10.45am.

The Resource Person and Venue details are as follow,

**Resource Person Name:** Mr.Siddharatha Joshi

Co-founder & CEO,

Thinkcerti, Pune.

**Venue:** - IT Department, JSPM's BSIOTR, Wagholi, Pune.

**Date:** -24/09/2019

**Time:** - 10:45 am To 12:45pm.

The Seminar will help you all in understanding the importance of learning Trending Technologies and also understand the various job opportunities in latest technologies for building your career.

All are informed to be present for the seminar as per above venue details.

### Invitation Letter

To,

Mr. Siddharatha Joshi

Co-founder & CEO,

Thinkcerti, Pune.

**Subject:** Invitation for conducting seminar on "Trending Technologies and Job Opportunities in IT" on 24th Sep 2019.

Dear Sir,

We cordially invite you to conduct Seminar on "Trending Technologies and Job Opportunities in IT", for TE and BE IT students on 24<sup>th</sup> Sep 2019.

The Details of Seminar are as follows,

**Venue:** - IT Department, JSPM's BSIOTR, Wagholi, Pune.

**Date:** -24/09/2019

**Time:** - 10:45 am To 12:45pm.

Awaiting your kind acceptance.

### GUEST LECTURE 2020-21 REPORT

Guest Lecture was organized for the **Electrical Department Students** in Online Mode in Google Meet on **18<sup>TH</sup> November 2020**. The event was conducted in online mode through zoom meeting. The link of the event was shared at the official whats app group of BE. The link was shared at 10:00 am. Considering the need of today's students to compete and face the challenges of the modern world and to make them aware of the competitive examination this lecture was arranged.

The lecture began by the deliverance of welcome speech by Dr. N. N. Ghuge ,HOD Department Of Electrical Engineering, BSIOTR, Wagholi Pune. The resource person Mr. Vaibhav Shrivastava was introduced by Prof Krishnakant kasar EESA co-ordinator . The topic of guest lecture was " Preparation of Competitive exam (GATE)". He threw light on the public sector jobs based on the gate score card and on pursuing masters from IIT's.

Overall session was highly informative and educative to the aspiring and ever enthusiastic students. The session was followed by an interactive session with the speaker. The highly motivated students raised the various a variety of questions to the speaker.

Vote of thanks was delivered by Prof. Krishnakant kasar EESA co-ordinator. The lecture was definitely a motivating lecture for the students.

Number of Candidates  
Appeared in this paper

87559

All India Rank in this  
paper

16408

Valid up to 31<sup>st</sup> March 2024

\* Normalized marks for Civil Engineering (CE), Computer Science and Information Technology (CS) and Mechanical Engineering (ME) Papers.

\*\* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard.

*Deepankar Choudhury*  
19<sup>th</sup> March 2021

Prof. Deepankar Choudhury  
Organising Chairperson, GATE 2021  
(on behalf of NCB - GATE, for MoE)

62a42316f4a2b6491619b63a5e4ab4a0

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2021 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

### SEMINAR ON CAREER PATH AND DIRECTION AFTER ENGINEERING 2022-23 REPORT

Seminar on Career Path & Direction after Engineering was organized for the Electrical Department Students in Seminar hall D1 building BSIOTR, Wagholi, Pune on 24<sup>th</sup> AUG 2022. In the educational atmosphere event starts with felicitation of our speaker Mr. Shubhash Pawar, by H.O.D, Electrical Engineering Department Dr. N.N. Ghuge.

On 24<sup>th</sup> Aug 2022 seminar on Career opportunities after Engineering was arranged at D1 building Seminar hall. The Seminar start at 11:00 am, seminar was completely organized for TE, & BE students. The Seminar progressed with Introduction of our Guest Speaker Mr. Shubhash Pawar mentor in unacademy and we also have Mr. Ketan Patil from Synergy Academy . Seminar was conducted on Career path and direction for Electrical Engineer's after completion of Engineering. Mr. Shubhash Pawar start the session with the question 'How to prepare? What to prepare? When to start preparing?'. He explain why one should go for competitive exam. He guided students regarding different post available in Government. Later, Mr. Ketan Patil take the charge on mic. Mr. Ketan Patil start with an Motivational example of Formula 1 Car, in that he explain about the power and prestige one get after winning formula 1 Race, similarly we get power and prestige in Government job. He explain students Why one should go for UPSC examination, what all benefits he received when get selected in UPSC

## DEPARTMENT OF ELECTRICAL ENGINEERING

### SEMINAR ON CAREER OPPORTUNITIES AFTER ENGINEERING 2022-23 REPORT

Seminar on Career opportunities after Engineering was organized for the Electrical Department Students in Seminar hall D1 building BSIOTR, Wagholi, Pune on 09<sup>th</sup> AUG 2022. In the educational atmosphere event starts with felicitation of our speaker Mr. Aditya Srinivas Vangala by H.O.D, Electrical Engineering Department Dr. N.N. Ghuge.

On 09<sup>th</sup> Aug 2022 seminar on Career opportunities after Engineering was arranged at D1 building Seminar hall. The Seminar start at 11:00 am, seminar was completely organized for TE, & BE students. The Seminar progressed with Introduction of our Guest Speaker Mr. Aditya Srinivas Vangala. Seminar was conducted on Career Opportunities for Electrical Engineers after completion of Engineering. Mr. Aditya Vangala guided our students about GATE examination and subject for GATE exam. He bifurcate the marking system and how easily we can score more than cut-off marks.

Mr. Aditya Vangala emphasis on Government job which required GATE score in their recruitment process. He also gives a brief idea regarding recruitment process at BHEL, BARC, NPTCL, Reliance Power, Indian Railways and etc. Mr. Aditya Vangala discuss about IES, PSU, SSC examination, approach and study methods. He end the session with a round of question answers. Students clear their dough regarding selection of career.

**\*Vision of Department\***

" Human resource development to meet growing industrial & social challenges "

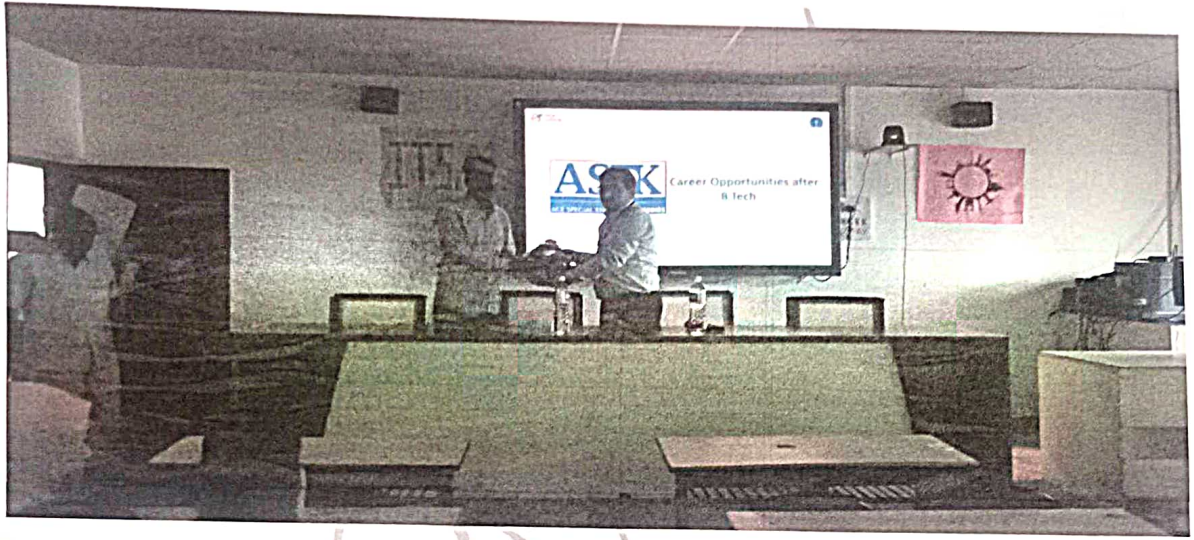

**\*Mission of Department\***

" To impart quality education and nurture aspirants to face the growing challenges and satisfy stakeholders "

With the end of this enthusiastic and motivating seminar vote of thanks are given by our T.E. Student Ms. Renuka .

### Seminar on "Career Opportunities after engineering"

- **Objective of the Program:**

1. To develop the skill required for competitive exams & problem solving ability.
2. To explore the career options available in the market along with the skills required for becoming entrepreneur.

- **Brief Summary of Activity:**

Name of the Event	Seminar On "Career Opportunities after engineering"
Day and Date of Event	23 <sup>rd</sup> Sept 2022
Time of Event	10..00 am - 11.30 am
Venue of the event	JSPM's IT Seminar Hall, Wagholi, Pune
Number of Participant	79

This report provides a brief summary of the Seminar organized by IT department. The Seminar is conducted on the topic "Career Opportunities after engineering" on 23<sup>rd</sup> Sept 2022 from 10.00am to 11.30am in the IT seminar hall. The seminar brought together 79 students and faculties. The seminar was delivered by eminent resource person Mr. Shankar Wadne, Gate Qualified ACE Engineering Academy, Pune. The session included some vital contents like how to prepare for Indian engineering services, Civil services, PSU, Government Jobs, Campus placements, Higher studies in abroad, GATE exam & Entrepreneurship.

**Report of Guest Lecture on Career Opportunities after Engineering**

Objective	To guide students on career options after graduation
Date of Conduction	23/09/2022
Resource Person	Mr. Shankar J. Wadne, Trainer, ACE Engineering Academy
Coordinator	Dr. Y. S. Angal / Prof. N. A. Mohota
Participants	SE-54, TE-66, BE-53
Venue	E&TC Dept. (203)
Outcome	Students have got the knowledge: <ol style="list-style-type: none"> <li>1) About the paper pattern and syllabus of GATE exam.</li> <li>2) Opportunities after successful of GATE exam in Job.</li> <li>3) Opportunities after successful GATE score for higher studies.</li> <li>4) About stipend in India and Abroad for higher education and general awareness.</li> </ol>

A guest lecture was arranged on "Career Opportunities after Engineering", by ACE Academy of Engineering for the students of SE, TE and BE, for which the speaker was Mr. Shankar Jarasandh Wadne. The session started with the introductory and welcome speech by Dr. Y. S. Angal, Head of Department.

Department of Electronics & Telecommunication Engineering  
 In collaboration with  
 Electronics & Telecommunication Academic Association (ETSAE) & IEEE Student Forum (ISF)  
**TOPIC:-**  
 Career Opportunities After Engineering  
 Speaker: Mr. Shankar Jarasandh Wadne  
 Time: 3:30 AM - 5:45 PM  
 Venue: Classroom 203, D2 Building

The session started with different opportunities students have after the completion of their graduation like jobs in core field, IT sector, Telecommunication sector, VLSI etc. or pursuing higher education like MS, GATE, MBA etc. The speaker emphasized on the topic of GATE and career opportunities after it. He explained the students that the GATE examination is held twice in a year and the score is valid for three years. Further he had given

the performance analysis of the score for the different branches and explained how to prepare for the same. Further he stated that that 75% of the questions based on concepts are repeated. He also explained that some of the foreign universities are also accepting GATE score for further education with stipend. He had also given the value of the stipend one can get for his further education or for doing projects after pursuing

GATE and lastly he concluded with the job opportunities in different sectors like Private, PSU, IES. Prof. N. A. Mohota concluded with vote of thanks.

**Report of Lecture Series by Alumni on Career Counseling**

Objective	To guide students on career options after graduation
Date of Conduction	27 / 02 / 2023
Resource Person	Ms. Asmita Yadav and Ms. Sonali Babar
Coordinator	Dr. Y. S. Angal / Prof. N. A. Mohota
Participants	TE-53
Venue	E&TC Dept. (203)
Outcome	Students have got the knowledge: <ol style="list-style-type: none"><li>1) Difference between soft skills and hard skills.</li><li>2) About the importance of working in a team.</li><li>3) About the importance of aptitude, reasoning and verbal ability test.</li><li>4) About the different types of courses in which one can build the career.</li></ol>

A lecture was organized by the department of Electronics & Telecommunication as a part of the lecture series by the alumnus of the institute, in which Ms. Asmita Yadav working with and Ms. Sonali Babar working with Wipro has accepted our invitation and briefed the students of TE about "What After Engineering". Dr. Y. S. Angal in his speech welcomed the alumnus.

Ms. Sonali in her deliverables, asked the students to be well prepared with soft skills. She explained students the importance of it and also explained the importance of it in the corporate world. She emphasized that soft skills are as important as hard skills, she further said that, if you are good at hard skills but are not capable to cope up with soft skills, then it is not good for the organization and as for the candidate as well.

Ms. Asmita briefed about the importance of hard skills. She asked the students to acquire different hard skills in order to get a good placement from the campus. She explained that getting job within campus is easy then getting it off campus, as the competition is within campus students. She further asked the students to go for technologies like AWS, Block Chain, Artificial Intelligence, Python, Java etc. and briefed the importance of each in brief.

Prof. Meenakshi Anamallai urge the students of TE to take the help of their seniors and to be ready to get the offer letters. The session concluded with vote of thanks.

### Report of Lecture Series by Alumni on How to prepare for Campus Interview

Objective	To guide students on How to prepare for Campus Interview
Date of Conduction	12 / 10/ 2023
Resource Person	Mr. Vikrant Bathe
Coordinator	Dr. Y. S. Angal / Prof. N. A. Mohota
Participants	BE- 37
Venue	E&TC Dept. (203)
Outcome	Students have got the knowledge:  <ol style="list-style-type: none"><li>1) About the importance of aptitude, reasoning and verbal ability test.</li><li>2) On how to prepare for Group Discussion &amp; Personal Interview</li><li>3) About the importance of soft skills.</li></ol>

A lecture was organized by the department of Electronics & Telecommunication as a part of the lecture series by the alumnus of the institute, in which Mr. Vikrant Bathe working with Capgemini has accepted our invitation and briefed the students of BE about “**How to prepare for Campus Interview**”. Dr. Y. S. Angal in his speech welcomed the alumni.

Mr. Vikrant in his deliverables, explained the different steps of the campus interview and asked the students to be well prepared with aptitude, reasoning and verbal ability . He also explained the students the importance of soft skills. He emphasized that soft skills are as important as hard skills, and further said that, if you are good at hard skills but are not capable to cope up with soft skills, then it is not good for the organization and as for the candidate as well.

Mr. Vikrant briefed about, how to prepare for the group discussion in brief and also explained how to crack the same. Further he explained the students what the candidate should speak in the personal interview and how to give self-introduction. He explained that getting job within campus is easy then getting it off campus, as the competition is within campus students and further said the students that it would be an added advantage if they have the knowledge of

two to three technologies if they want to pursue their career in IT sector, and asked the students to go for technologies like AWS, Block Chain, Artificial Intelligence, Python, Java etc. and briefed the importance of each in brief.

Prof. Nilesh Mohota urge the students of BE to take the help of their seniors and to be ready to get the offer letters. The session concluded with vote of thanks.
