Appreciation Letter

To,
Mrs. Nilima Jagtap
Department: Engg. Science

We are writing this letter to extend our heartiest appreciation towards you for taking efforts towards our Engineering Science Students for your subject "Engineering Chemistry". Your efforts are reflected in the **student feedback-II** with an Exceptional score of **78 & 82 %** for Class: FE Div A & C Sem: II in Academic year 2022-23. Thank you for your excellent performance and dedication towards teaching this subject.

During the next academic year we hope that you will continue to extend your support and efforts for the betterment of Engineering Science Department and Bhivarabai Sawant Institute of Technology and Research, Wagholi, Pune- 412 207.

Teachers Feedback on syllabus and its transaction

1. OBJECTIVE OF FEEDBACK:

The Institute is affiliated to Savitribai Phule Pune University. The syllabus is framed by the university as per the statutory provisions. This task is assented to selected institutes to frame the syllabus. Such institute conduct syllabus revision workshop in which Teachers, Invited Industry Experts, Senior Professors share their views and finalize the draft of the syllabus. This syllabus is then approved by BOS/Academic Council/Executive Council of the Institute. Syllabus implementation workshops are again conducted by selected institutes in which the concerned subject teachers participate. In this workshop the extent of the contents to be covered for all units and laboratory work are finalized. The syllabus so framed is implemented in the institutes. The feedback of the stakeholders namely Student, Parent, Alumni and Employer is obtained which help the institution to design co circular and extra circular activities to enhance the learning of the students.

2. TEACHERS FEEDBACK ON SYLLABUS AND ITS TRANSACTION

Feedback was obtained from the subject teachers. The detailed analysis has done related to course designed by affiliating university i.e. Savitribai Phule Pune University (SPPU). Based on suggestions given by staff members efforts were taken to enhance content delivery of the subject. Faculties are motivated and supported with financial assistance to participate different FDPs/Workshops/NPTEL courses/ATAL UHV courses to enhance the skills required for the content delivery of syllabus.
