5.3.2 Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Various Students council and academic and administrative bodies exist in the institution which are as listed follows

- Institute Student Council
- Indian Society for Technical Education student forum,
- Institute of Electronics and Telecommunication Engineering forum
- Institute of Electrical and Electronics Engineers forum,
- JSPM's Bhivarabai Sawant Institute of Technology and Research Alumni Association
- Electronics and Telecommunication Engineering Students Association
- Computer Engineering Students Association
- Mechanical Engineering Students Association
- Information Technology Students Association
- Electrical Engineering Students Association

Institute Student Council

The composition is as follows:

- General Secretary
- Cultural Secretary
- Sports Secretary

This council plays very important role in organization of various co-curricular, extracurricular and cultural activities in the institutes. It is a team work of students which gives them platform to inculcate cognitive skill sets which are very much needed when they start pursuing their career of their choice.

Student's forum of Professional bodies

Student's forums of professional bodies have the student's representation. The forums focus on the

Promotion of activities related to academics and skill enhancement programmes in collaboration with the respective professional bodies

Alumni Association

The alumni association of BSIOTR is registered with the charity commissioner office. The executive

Committee of the alumni association comprises of present students and alumni as its members. These members play very important role of initiating, maintaining and renewing communication with the

BSIOTR alumnus. One of the critical elements of relations is networking. A strong and healthy relationship with the alumni and the institute helps in providing newer avenue for growth across various sectors for the students who are pursuing their studies in the institute. Alumni meets in the institute brings together the alumni which is an emotional moment.

Department Level students Associations

These associations are fully represented by the students guided by a faculty member. These associations take initiative for promotion of activities related to academics, skill enhancement programmes co-curricular and extra-curricular activities. Students are encouraged to take decisions, plan and execute the programs to develop decision making and leadership skills.

5.3 Alumni Engagement

5.3.1 Whether the institution has registered Alumni Association? **Yes/No**, if yes give details (maximum 500 words):

Yes institution has registered Alumni Association. The Alumni Association of BSIOTR was established earlier and registered with the charity commissioner office in August 2017(MAHA/1097/2017/Pune).

The executive committee of the alumni association comprises of present student and alumni as its members along with other members. These members play very important role of initiating, maintaining and renewing communication with the BSIOTR alumnus. One of the critical elements of relations is

Networking. As BSIOTR chart its upward climb rapidly, a strong and healthy relationship with the alumni and the industry helps in providing newer avenue for growth across various sectors for the students. The alumni of the institute have been contributing in different activities as listed below

- Guest lecture on industry work culture and skill sets requirements.
- As resource persons for workshops, seminars on recent trends in technology.
- Placement assistance
- Internships
- Industrial Visits
- Sponsored projects.
